NED HICKSON/SIUSLAW NEWS

Siuslaw senior Kelby White allowed just 2 runs and 3 hits against South Umpqua on Monday.

Siuslaw from 1B

"Jiggs" Dodson Field. White, who led the Viks from the mound, held the Lancers to 2 runs and 3 hits in just over 6 innings.

The Vikings rallied to tie the game at 2-2 on an RBI sacrifice fly from senior Nick Steinman in the bottom of the fourth inning, followed by a ground-out by senior second baseman Brogan Cornish that brought the tying run home in the bot-

tom of the sixth.

With two outs in the top of the seventh inning, White was retired on pitch counts.

The Lancers manufactured the winning run on a catcher's interference, followed by a short hit to the infield and a Siuslaw error on the play.

The Lancers slipped away with a narrow win, 3-2.

The loss puts the Vikings at 1-8 in the Far West (1-15 overall), with South Umpqua holding second place at 6-3 (7-11 overall.)

The Vikings will travel to Brookings-Harbor Friday for a doubleheader beginning at 3 p.m.

They'll close the season with a three-game match-up against North Bend beginning at 5 p.m. next Monday, May 8, at North Bend, then with a doubleheader at home against the Bulldogs on Thursday, May 11.

Around the softball diamond: Siuslaw junior second baseman Ariel Rosinbaum went 2-for-3 with a pair of RBIs in the opener against

South Umpqua last Friday.

However, the Lady Viking offense had little luck against the Lancers' Tayah Kelley, a sophomore who struck out 17 Siuslaw batters in 11 innings of play for the sweep.

Kelley also had 7 RBIs and 2 homers in addition to being the winning pitcher in both games.

The visiting Lancers swept Siuslaw, 19-5 and 19-0.

Lady Viking senior Sara Keel brought home 2 runs in the opener, and senior pitcher Heidi Jones went 2-for-3 with a

stolen base in game two. She also struck out 10 Lancers.

Siuslaw fell to 1-8 in league and 4-14 overall.

Siuslaw hosts Brookings-Harbor in a doubleheader Friday at 3 p.m. and 5 p.m. before hosting the final home game on Monday, May 8, against North Bend.

First pitch is at 5 p.m.

The Lady Viks will then travel to North Bend for a doubleheader May 11 to finish the season.

Games are at 3 and 5 p.m.

Fishing from 1B

MID COAST LAKES: Mid coast lakes have been

stocked and are fishing well. The 2017 trout stocking schedule is available online.

ALSEA RIVER AND BAY: Steelhead

Steelhead fishing is open on the Alsea River and listed tributaries until April 30. Casting spinners, drifting bait or using a bobber and jig can be effective.

SALMON RIVER: Steelhead

The Salmon River closed for wild and hatchery steelhead on March 31 to protect spawning wild steelhead

SILETZ RIVER: Steelhead, Chinook

The Siletz River is open for wild Chinook (1 per day and 2 per season). A few summer steelhead are starting to be caught in the lower river.

Steelhead fishing is fair. Drift boaters are having success from Moonshine Park to Siletz and bank anglers are catching hatchery fish in the Siletz gorge.

Casting spinners, drifting bait or using a bobber and jig can be effective.

WILSON RIVER: Steelhead

The Wilson is in decent shape. Steelhead should be winding down but there was still some good fishing last week, although mostly for wild steelhead.

YAQUINA RIVER: Steelhead

The Yaquina River and Big Elk Cr. are closed for steelhead fishing to protect spawning wild steelhead.

COOS RIVER BASIN: Dungeness crab, bay clams, rockfish, steelhead

Trout fishing in streams is closed until May 22.

Most anglers have stopped fishing for steelhead in the Coos Basin. Rivers in the Coos basin are open to steelhead fishing until April 30. Anglers fishing the South Fork Coos River above Dellwood will need a permit from Weyerhaeuser.

In the Coos basin, one additional hatchery steelhead may be retained per day for a total aggregate of three adult fish harvested daily.

Anglers are still catching a few rockfish and surfperch along the jetties and submerged rock piles. Fishing for rockfish in the bay has been

spotty. The marine fish daily bag limit for bottom fish (rockfish) is seven fish and a separate daily limit for lingcod (two).

The 7 fish marine bag limit will remain in place, with these adjustments for 2017: Create a sub-bag limit of 6 black rockfish, remove the sub-bag limit for canary rockfish, Add China/quillback/copper rockfishes to the sub-bag limit with blue/Deacon rockfish and change the limit from 3 to 4.

Finally remove the 10-inch minimum size for kelp greenling. Retention of cabezon is not allowed until July 1.

Recreational crabbing is open inside the Coos Bay estuary. Crabbing has been slow in Coos Bay but crabbers will need to sort through several short crab to find keepers.

Recreational harvest of bay clams remains open along the entire Oregon coast.

Clamming is excellent during low tides near Charleston, off Cape Arago Highway, and Clam Island. There are also good places to dig clams even on positive low tides in Coos Bay.
