She also leaves behind numerous loving relatives and friends.

GRIMES—Robert George Grimes, 69, of Florence, went to be with his Lord on April 26, 2017.

He passed away peacefully, at RiverBend Hospital, with his loved ones by his side.

Robert was born July 31, 1947, at the Multnomah Hospital in Portland, Ore., to Dorothy Marie (Carr) Wiley and George Vincent Wiley.

Robert Grimes

Bob grew up using the Grimes last name with his mother's re-marriage, legally changing it in July of 1966.

He was raised in the Park Rose area of Portland and Port Orford, Ore., graduating from Pacific High School in Bandon,

Ore., with the Class of 1965.

Robert was a logger in Southern Oregon and Florence. After a serious injury, he went to Lane Community College for two years to take business classes. He then pursued a successful career in the financial industry, working at Siuslaw Valley Bank, Wells Fargo and Selco Credit Union.

He enjoyed several years at Western Lane Furniture/Robys, selling flooring and appliances. And, for the last 16 years, he was the treasurer and bookkeeper for Church On The Rock.

Robert had a heart for missions and took three mission trips from his church; to India and twice to Israel. His dream was to go to Nepal, also, but, his health did not allow for it.

In lieu of flowers, donations may be made to Zechariah's Hope Ministry at Church On The Rock, P.O. Box 3064, Florence, Ore., 97439.

Burns' Riverside Chapel Florence Funeral Home is in charge of arrangements.

Coast Guard helicopter rescues man in Yachats

The Coast Guard rescued an injured hiker on the Neptune State Scenic Viewpoint hiking trail near Yachats, Ore., Saturday.

The man was successfully hoisted into the helicopter and transported to the Coast Guard air facility in Newport, Ore., where he was met by local emergency medical services for further evaluation.

Watchstanders at Coast Guard Sector North Bend received the report of the injured hiker from Lincoln County 911, stating that the location and apparent injury of the hiker would make a ground rescue difficult, prompting the request for Coast Guard support.

A Coast Guard MH-65 Dolphin helicopter crew from the Newport air facility launched and was able to extract the hiker without difficulties.

"This case illustrates the importance of our hoist-capable assets," said Petty Officer First Class Justin Bosworth, an operations specialist at Sector North Bend. "Because of the difficult terrain this hiker was injured in, our helicopter crews were able to get this man the help he needed when a ground rescue was not an option."

Weather on scene at the time of the incident was reported as mild winds and clear skies.
