

# 2017 Salmon Run to host kick-off meeting

The Salmon Run, a 5K run and 3K walk, will be held again this year on Saturday, Aug. 26.

Organizers are looking for interested persons and volunteers to assist with this effort.

A kick-off meeting will be held Thursday, June 8, from 5:30 to 7 p.m., at the Siuslaw Watershed Council conference room, 10868 East Mapleton Rd., in Mapleton.

This run commemorates Shiloh Forest Sundstrom (1981-2015), a PhD candidate in Geography at Oregon State University, cattle manager at Rock Creek Ranch in Deadwood, a Program Director at the Siuslaw

Institute and a vocal advocate for conservation solutions in the Siuslaw watershed and abroad.

While working for SWC 11 years ago, Sundstrom created The Siuslaw Salmon Run as a fun and fundraising event. With the encouragement of his family, SWC revived the run last year in his honor as The Salmon Run/Walk and Celebration.

Last year, there were 74 participants.

The goal for 2017 is to have more than 100 entrants.

Come help plan this year's event or call 541-268-3044 for more information.

# Local stables offering Adult Riding Club

With the success of its recent Adult Riding Club, C&M Stables will continue the program with a new summer session.

The program includes a 2-hour ride during each of the months of June, July and August. The 2 hour rides will follow the trail and beach, with a 30-minute orientation before the first ride.

Members who are interested in learning how to groom and saddle their horses as a part of the experience are welcome to come 30 minutes before each

ride. C&M Stables will provide members with the tools necessary and offer instruction on how it is done.

More information about the fall session will be available in August.

The Riding Club is open to riders age 18 years or older, and no previous riding experience is necessary.

For more information or to sign up for the summer Adult Riding Club, stop by C&M Stables, 90241 Highway 101, north of Florence, or call 541-997-7540.

Free Fishing Day events brought families to Cleawox Lake from as far away as Hillsboro to try their hand at fishing and participate in several activities for all ages.

## Reel from 1B

In Florence, Cleawox Lake in Honeyman State Park was host to fishing and other activities in conjunction with The Oregon Department of Fish and Wildlife, Oregon State

Parks and members of the Salmon Trout Enhancement Program (STEP), who provided fishing poles, tackle, bait and instruction, along with complimentary fish cleaning for anyone who brought their fish. "Lakes and ponds were fully

stocked, a number of rivers were open, and of course there was crabbing," said Rick Hargrave, administrator of ODFW's Information and Education Division.

The purpose of the free recreation weekend was to encourage people to explore

Oregon's parks and outdoors by waiving fees and offering a recreational activities, including fishing events, nature walks and specialized outdoor-related workshops.

**MEET Copper**

Copper is a very pretty, female, Australian Shepherd mix. She is 7 yrs old and was recently surrendered to the shelter by her owner because this dog needs a more active lifestyle than the former owner could provide. She needs a family who can give her daily exercise to help her shed a couple of excess pounds. This sweet girl is with a foster family, so if you want to meet her, please call the shelter for an appointment.
