

...is a free summer program sponsored by the Siuslaw Public Library District and the Oregon Library Association to encourage reading for pleasure during the summer. Research shows that youngsters who read over the summer - even one book- are better prepared to succeed in school in the fall. Our goal is to help make reading a habit and to stop the "summer slide"

We will encourage reading with a variety of games and activities that can be played simultaneously by readers of all ages and abilities. Participate in any way you chose between June 1st- August 3rd.

- Help us **Build a Better World**. Return the paper brick from your packet with a list of what you have done to improve the world around you. Come back and see all the good we do as a community. Get another brick if you desire.
- Pledge to become a **World Class Builder** and track the days you read at least 20 minutes in your **Master Plan booklet**. Stop by the **library** and collect a **prize** from the **prize bin** for any week you read at least 4 days.
- **Builders** can earn an additional **prize** by completing 8 of the 10 activities listed in their **Master Plan Booklets**.
- **Build a Little Fun Thursdays** are library programs featuring presenters, games, stories, and crafts. Join us on Thursdays at 10:30 in Florence beginning June 22nd. There are activities for kids of all ages!
- **Family Movie Nights** are Thursdays at 6:00 PM in the Bromley Room. Popcorn is provided and viewers of all ages are invited to come. See your booklet for movie listings.
- **Lego Club Fridays** continue on the 1st and 3rd Fridays of the month. Come build with us!
- **Celebrate** our success at the Grand Finale Waterslide/picnic/book-give-away sponsored in part by the Friends of the Siuslaw Public Library. Come Wednesday August 2nd in Mapleton or Thursday August 3rd in Florence.

We welcome you and the children you care for to come to the library this summer. Registration is FREE and not limited by age or ability. Rewards can be earned once you register, and redeemed at any time during the program. We hope you will include the library in your summer plans. - Miss Gayle
