Dave's RE-CORNER

Most people have heard of the 3Rs of environmentally friendly behavior-

REDUCE is to use less of something. Use less water, turn off lights, use both sides of a paper.

REUSE is to use an item again. Refill a water bottle, reuse a container and buy reusable bags.

RECYCLE is to make new items from old ones; recycle bottles, glass, paper, cans, plastic, cardboard & more.

Tip
I'll Fly Away

Many airports provide recycling bins both inside and outside of secure areas for paper, cans and bottles. Some airlines have in-flight recycling programs for paper, plastic and aluminum, though this can depend on recycling programs at the destination airport. Ask your flight attendant if they are recycling - if not, carry your bottle, can or magazine off the plane and find the nearest recycling bin.

Commerce.

The Port property offers an excellent vantage point for the official fireworks display, which will be launched from a barge in the Siuslaw River.

There is plenty of viewing space on the boardwalk, as well as Nopal and Harbor streets parking lots.

Additional parking is available at the Florence Events

Center, and at the west end of Bay Street.

Remember personal fireworks are prohibited on Port property and the Old Town area.

In addition, personal fireworks are not allowed on public streets or right of ways throughout the community, beaches, dunes and forests.

Also, the port reminds guests

the City of Florence's rules governing the consumption of alcohol also apply to Port property as well.

The Port of Siuslaw, Florence Area Chamber of Commerce, Florence Police Department, Siuslaw Valley Fire and Rescue and the City of Florence are working together to ensure a safe and memorable Fourth of July celebration.
