## Real estate conditions to be discussed at FACC

City Planning Director Wendy FarleyCampbell and Steve Earnshaw, President of Central Oregon Coast Board of Realtors, will speak at the Florence Area Community Coalition (FACC) meeting on Wednesday, Aug. 2.

Earnshaw will present a brief history of Florence real estate and conditions which led to the current shortage of affordable housing.

FarleyCampbell will describe the city's role in development and finding solutions through the current Economic Opportunity and Housing Needs Analysis Public Involvement Plan.

This will be an opportunity for the public to learn how they can participate in this important process.

It is "Back to School" time, so the featured agencies for this month are the Siuslaw and Mapleton school districts.

Participants are invited to bring items or money for school supplies. Supply lists can be found online at [www.mapleton.k12.or.us](http://www.mapleton.k12.or.us) and [www.siuslaw.k12.or.us](http://www.siuslaw.k12.or.us).

The FACC hosts public meetings the first Wednesday of each month, from 9 to 10:30 a.m., in the Bromley Room of the Siuslaw Public Library, 1460 Ninth St.

The public is invited to become members.

The membership year goes from July 1 to June 30 and costs \$25 for individuals or \$50 for groups/agencies.

FACC also sponsors an annual Volunteer Recognition Event in April, and on June 22.

For more information, visit [www.florenceareacc.org](http://www.florenceareacc.org) or call Monica at 541-902-8308.

## Ambulance board begins new term

MARK BRENNAN/SIUSLAW NEWS

Western Lane Ambulance District Board of Directors met July 27 to swear in new board members and take care of business items. New Director Rick Yecny (left) and re-elected Director Mike Webb both received Certificates of Election from Lane County Elections. The board members present at the meeting elected Webb as board president, Director Dick Childs as vice president and Yecny as secretary treasurer. New Director Larry Farnsworth wasn't present and will be sworn in at a later date. The board of directors meet next on Thursday, Sept. 28, at the Western Lane office, 410 Ninth St. in Florence.

## Siuslaw Tale Spinners celebrate 25th anniversary

The Siuslaw Tale Spinners held a dinner party at the Ocean Dunes to celebrate their 25th anniversary.

The club members come from all walks of life, with diverse backgrounds, experience and views on life. All have one thing in common. — that is to help one another to become better speakers, listeners and leaders. The members form a bond and have become a toastmaster family.

COURTESY PHOTO

For those who are thinking of joining or returning to Toastmasters, you are encouraged to do so as this is the most economical way to improve your communication and leadership skills.

Attend a meeting as a guest to see for yourself.

Tale Spinners members from left to right: first row: Wendy Farley Campbell, Jim Barrett, Vickie Kennedy, Anne Machalek and Pat Kruse; Second row: Bruce Jarvis, Akiko March, Jim Perry, Rosemary Camozzie, Alan Campbell, Jeffery Beveridge, Jim Wight, Irma Gellar, Jim Wolak, Audrey Perry, Jeanne McCabe, Karen Earnshaw, Theresa Sleeman, Cathy French, Mike Webb, Jana Webb and Shirley Stentz.

The Tale Spinners meet on the first and third Thursday each month from 5:30 to 6:30 p.m. at the Port of Siuslaw Office, and on the second and fourth Thursday from 12:05 to 12:55 p.m. at the Siuslaw Valley Fire Station on Highway 101.

See Jim for your auto sales needs!

## SIUSLAW RIVER BRIDGE CONSTRUCTION CONTINUES MONDAY

Oregon Department of Transportation (ODOT) will continue work on the Siuslaw River Bridge Cathodic Protection Project. The entire project will be complete in March 2019.

ODOT crews continue work on the south end of the Siuslaw

Bridge. Most work is done off the roadway to ensure that traffic moves smoothly during the day.

This week, crews have been working at night, but there should not be any noise disturbance created from the work.

Local residents should take note of the bridge rail cutting the week of July 31 to Aug. 5, which will create some noise during the process.

Crews continue sand blasting and spraying a zinc coating on the bridge, working toward the south end of the bridge.

Crews will be cutting and removing existing bridge rail

on the northwest side of the bridge to install the new bridge rail.

Rail cutting will take place from 9 p.m. to 9 a.m. on Monday, July 31, and Tuesday, Aug. 1. This operation will create some noise, but requires a lane closure and can only be accomplished during the night.

Lane closures will continue during work hours, 4 a.m. to 9 a.m.

Single lane closures will be used for materials transfers, bridge rail and other roadwork on the approaches to the bridge. Delays may be up to 20 minutes, but will normally be

five minutes or less.

The Siuslaw River Bridge Cathodic Protection Project is repairing damaged concrete, replacing bridge railings, and constructing sidewalk features at the bridge ends.

A major portion of the project is to install cathodic protection that includes a zinc surface coating to protect the structure from corrosion.

Sandblasting the bridge and spraying the zinc coating are noisy operations that must be done separately, in containment structures.

For more information, visit [www.Siuslawbridge.com](http://www.Siuslawbridge.com).
