999 ♦ PUBLIC NOTICES

Public Encouraged to submit written comment or Attend the September 14, 2017 Hearing on Proposed Revisions to LRAPA Title 47: Open (Outdoor) Burning rule
The Oregon Department of Environmental Quality (DEQ) and the Lane Regional Air Protection Agency (LRAPA) rely upon local air quality stakeholders in developing key aspects of air quality plans to assure that community needs are met. Feedback from the public is a crucial part of plan development.
DEQ and LRAPA are proposing to revise LRAPA Title 47: Open (Outdoor) Burning rules in an effort to meet or maintain federal air quality standards for fine particulate matter and to improve the general air quality of Lane County. The proposed rules would:
• Change the term "Open Burning" to "Outdoor Burning" throughout Title 47
• Clarify terminology pertaining to size and materials of "religious ceremonial fires" and "bonfires"
• Clarify terminology relative to outdoor burning during the LRAPA "Home Wood Heating Season"
• Require residents within the Oakridge Urban Growth Boundary to be subject to outdoor burning prohibitions and exemptions during the November through February Oakridge "Home Wood Heating Season"
• Identify the Eugene and Springfield Urban Growth Boundaries as separate
• Identify cardboard, clothing and grass clippings as "prohibited materials"
• Prohibit outdoor burning in barrels
• Prohibit outdoor burning within the Eugene Urban Growth Boundary
• Include in LRAPA rules Oakridge and Florence outdoor burning ordinances requirements.
• Limit outdoor burning to woody yard trimmings within the city limits of Junction City, Coburg, Cottage Grove, Creswell, Lowell, Westfir, Dunes City and Veneta and further clarify relative to affected areas
• Update names of Fire Districts
• Update "Forest Slash Outdoor Burning" requirements in areas not covered by Department of Forestry Smoke Management Plan
• Increase fee for prescribed burning of standing vegetation permits (species or wetland conversion) from \$100 to \$1,000 and include caveat relative to Director discretion in fee adjustment
• Increase fee for permits required for forest slash open burning in areas not covered by the Department of Forestry Smoke Management Plan and for construction, demolition, commercial or industrial open burning from \$4 per cubic yard to \$10 per cubic yard and minimum fee from \$50 to \$100
Who is affected? Anyone wishing to conduct outdoor burning in Lane County.
