Johnny Sundstrom, father of Shiloh, displays the mantra of the annual run, which was revived last August.

SALMON RUN RETURNS

BY NED HICKSON
Siuslaw News

It was a fitting tribute when, in February 2016, the Siuslaw Watershed Council (SWC) named Shiloh Sundstrom as its “Spirit of the Siuslaw” award recipient posthumously.

Sundstrom, a Deadwood resident and Mapleton High School graduate who earned a masters degree in forest resources from Oregon State University in 2009, dedicated much of his time to the watershed over the years

Last year’s run, which marked its return after a 10-year absence, had more than 70 participants, with money raised going to Siuslaw Watershed Council youth education projects and camps.

before a tragic hit-and-run accident took his life at age 34 two years ago.

As an intern with the SWC in 2006, Sundstrom began the Salmon Run 5K as a fund raiser for its watershed programs, particularly its summer camps

Hole-in-one could win new Mustang this weekend

If a shout goes up at Ocean Dunes on Saturday, Aug. 5, it could echo all the way to Bay Street — because it could mean that someone hit a hole-in-one on the eighth hole.

If that happens, one lucky golfer at Rotary’s eighth annual Cool at the Coast golf tournament will be the proud owner of a brand new 2017 Mustang.

The last hole-in-one at Ocean Dunes occurred May 29, according to course manager Bob Rannow. So it does happen, with or without the Mustang incentive.

That prize, sponsored by Three Rivers Casino Resort, is just one of many available at this year’s tournament. Other hole-in-one prizes await on the fourth, 12th and 16th holes

including a flat-screen TV and a Visa gift card.

There are also trip prize drawings. Tickets are already on sale and will be available at the tournament. Winning ticket holders will enjoy either a week’s getaway at San Diego Country Estates or a two-night stay with a round of golf

On the Bite

A WEEKLY
FISHING REPORT FOR
THE LOCAL REGION

www.dfw.state.or.us/RR

MID COAST LAKES

Olalla Reservoir has been stocked with over 50 surplus summer steelhead from the Siletz Falls trap, so far this season. These fish get fairly active in the lake and offer a unique fishing experience.

Once in the lake they are considered “trout” and do not require a Combined Angling Tag.

Anglers are reminded, however, that only one trout per day over 20 inches may be retained, and these fish will almost all be in that size range.

Mid Coast lakes been stocked with trout throughout the spring. Trout stocking is over until the fall but there still should be fish around to catch. Water temps are great and fish should be hungry, so go catch them.

SIUSLAW RIVER: Trout

Trout season is open and there should be some nice cutthroat around. Remember the limit on streams and rivers is two per day over 8-inches.

ALSEA RIVER: Trout

Trout season is open and there should be some nice cutthroat around. Remember the limit on streams and rivers is two per day over 8-inches.

SALMON RIVER: Trout

Trout season is open and there should be some nice cutthroat around. Remember the limit on streams and rivers is two per day over 8-inches.

SILETZ RIVER:

Steelhead, Chinook, trout

The Siletz River opened for wild Chinook on April 1 (1 per day and 2 per season). Spring Chinook and summer steelhead are being caught, and fishing should continue to improve. Recycling hatchery summer steelhead from the Siletz Falls trap has ended for the season.

Casting spinners, drifting bait or using a bobber and jig can be effective.

Trout is season open. Remember the limit on streams and rivers is two per day over 8-inches.

WILSON RIVER:

Steelhead, Spring Chinook, trout

Spring Chinook fishing has been slow on the Wilson.

Summer steelhead fishing has picked up a bit on
