## HOT RODS TO SHINE AT 10TH ANNUAL RODS 'N' RHODIES

Florence will be in top gear and revved-up for the 10th Annual Invitational Rods 'n' Rhodies Car Show Sept. 8 to 10.

The event, organized by the Florence Area Chamber of Commerce, showcases up to 125 of the best high-end hot rods and custom cruisers from 1976 and earlier from the west coast, along with food, a vendor fair, live and DJ music, show-and-shines and a classic cruise.

"This year's 'American Graffiti' theme will supercharge the weekend from start to finish," said Chamber Executive Director Bettina Hannigan. "Rods valued in the range of \$250,000 are regulars at this event and this year we have some famous special guest vehicles."

"Three Rivers Casino Resort is joining our event as a major sponsor this year," adds

Hannigan. "It will sponsor the four 'American Graffiti' tribute vehicles and the famous Copper Caddy featured on Velocity Channel's program 'Bitchin' Rides.'"

The event starts Friday with registration and a show-and-shine at the casino, where attendees can check out these incredible rides and Best of Show winners from prior years, and visit with owners.

Local food trucks will be on hand Friday night at Three Rivers Casino. The "American Graffiti" tribute cars and Copper Caddy will be on exhibit in the Three Rivers Casino Event Center that evening between 4 and 7 p.m.

The show-and-shine moves to Historic Old Town for Saturday from 9 a.m. to 4 p.m. and Sunday from 9 a.m. to noon.

Classic Cars from across the country will participate in the competition and show that will be held in Old Town on the weekend of September 8,9,10.

perform on Bay Street with period music Saturday from 9 a.m. to 5:30 p.m. and Sunday from 9 a.m. to noon.

On Saturday, from 4 to 5:30 p.m., the official car cruise will wind its way through Old Town to the sounds of '50s and '60s music, and the roar-and-rumble of dozens of classic rides.

Saturday night also features a screening of American Graffiti at City Lights Cinemas with a meet and greet at 5:30

p.m. and a '50s and '60s costume contest. The movie starts at 6 p.m.

A ceremony to announce merchant awards and best-in-show award for the vehicles starts at noon on Sunday. The best-in-show winner will be featured on the 2018 Rods 'n' Rhodies poster.

This year, the chamber will also bestow a People's Choice Award from the popular vote of attendees. Ballots will be avail-

able at the registration table at in Old Town.

Raffle tickets will be available from 9 a.m. to 3 p.m., and prizes will be awarded every half hour. Attendees can also register for the annual Poker Walk on Saturday and Sunday. Participants pick up cards at participating merchants in Old Town and try to assemble the best poker hand to win prizes from local merchants.

"Rods 'n' Rhodies also

brings the annual Community-wide Garage Sale to Florence," adds Hannigan. "Visitors can pick up a handy guide published by the Siuslaw News and cruise the bargain trail to see dozens of commercial and private sales all over town from Friday through Sunday."

## Peace Harbor offers new donor milk program

Peace Harbor's program provides nutrition and relief to families in recognition of World Breastfeeding Week

In recognition of World Breastfeeding Week this week, which focuses on the protection, promotion and support of breastfeeding worldwide, PeaceHealth Peace Harbor Medical Center is drawing attention to its Donor Breast Milk program for Labor and Delivery patients.

Provided and tested by Medolac, the donor breast milk is available to any families — in the hospital or returning home — who may need it. This includes new mothers unable to

produce milk the first few days after birth, working mothers, and surrogate-born and adopted babies.

"Providing this service to our Florence community ensures families don't have to make the journey to Eugene or Springfield to get the right care for their newborns," said Renee Reiser, Registered Nurse, Certified (RNC), Certified Lactation Counselor (CLC) and Maternal Newborn Nurse (MNN). "New mothers can receive the whole spectrum of care and services, from delivery onward, right here at Peace Harbor."

Peace Harbor has been providing lactation services to the community for more than three years. Every delivery performed in the hospital is automatically referred to lactation

services. And although families may choose to use cow's milk formula to feed their babies, The American Academy of Pediatrics recommends feeding babies human milk to help them resist allergies and infections.

"Breast milk helps newborns grow strong in ways that formula simply can't," said Reiser. "Using donor milk doesn't mean you're a bad parent. It's completely normal to have a hard time producing milk after birth, or not being able to produce enough milk when you're working 40 hours a week."

"That's why we provide the service."

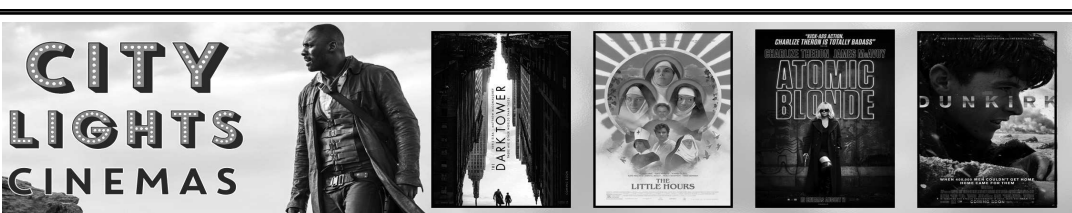

Medolac extensively tests its donors and treats its milk. Donors are screened and tested for HIV 1 and 2, HTLV II and

II, HBV, HCV, Syphilis, West Nile Virus and Chagas Disease, and their blood is tested at American Red Cross National Testing Lab.

The donor milk is then sterilized in Medolac's facilities, killing any potential bacteria, viruses and spores.

"As a CLC, there is one hard and fast rule: Feed the baby," Reiser said. "It doesn't matter how. But being able to provide donor milk is a valuable tool that is available for parents and babies."

For more information on Peace Harbor's new Donor Breast Milk program, call 541-997-8412; for more information on Medolac's testing and facilities, visit [www.medolac.com](http://www.medolac.com).
