## OBITUARIES

**RUEDE** — Rebecca "Becky" Ruede, 61, of Dunes City, passed away Aug. 17, 2017.

Arrangements are being held through Burns's Riverside Chapel Florence Funeral Home.

**MCGUIRE** — Robert "Mac" McGuire passed away quietly on Monday, Aug. 7, 2017, surrounded by family.

He was the beloved husband of Dorothy McGuire, father to

**Robert McGuire**

their three daughters: Cheryl, Geri and Theresa; grandfather to six and great-grandfather to four; he is also survived by his two younger brothers, Kenneth and Pat McGuire; and a sister, Mary.

Mac was born Jan. 26, 1935, in Belvue, Kan.

His early days were spent "on the farm." At the age of 18, he joined the Navy, serving on seven different ships in 17 years at sea. He was homeported in Sasebo and Yokosuka, Japan during the Korean and Vietnam wars.

He served two years of recruiting duty in Wichita, Kan., and was a senior instructor of the Steam Generating (Boiler) Inspector School at

San Diego, Calif. Mac's dedication to his Naval career was recognized by the award of the Navy Achievement Medal with Combat, Navy Combat Action Ribbon, Navy Unit Citation, five Good Conduct medals, China Service Medal, two National Defense medals, two Armed Forces Expeditionary medals, seven Vietnam Service medals, RVN Gallantry Cross with Palm, Vietnam Campaign Medal and Korea Defense Medal.

After retiring from the Navy, he went to a career as a contractor for Supervisor of Shipbuilding, Conversion and Repair (SUPSHIP).

Mac and Dorothy retired to their seaside home in beautiful

Florence 15 years ago. During his retirement here, Mac was an avid bowler and golfer. He was active with the VFW and served as Commander.

During his term, he was responsible for overseeing the completion of the Veteran's Wall on Bay Street. He was a Mason, an Elk and a Cootie. As an appropriate salute, Mac will be buried at sea.

A memorial service may be planned locally at a future time.

We wish you fair winds and following seas, sailor. You are loved and will be missed.

Burns's Riverside Chapel Florence Funeral Home was in charge of arrangements.

## Police two-week seatbelt 'Blitz' to begin Monday

Oregon State Police, the Lane County Sheriff's Office and the Florence Police Department will be working to increase proper safety belt and child car seat use during a statewide traffic enforcement "blitz" from Aug. 21 through Sept. 3.

Officers will also be on the alert for persons exceeding the posted speed limit and violating the "hands-free" cellphone law. This enhanced enforcement is paid from dedicated funding through the U.S. Department of Transportation's National Highway Traffic Safety Administration.

Oregon Department of Transportation crash data for 2015 shows that lack of safety belt or child restraint use was a factor in 35 percent — or 79 of the total 289 — motor vehicle

occupant fatalities. Motor vehicle crashes are the leading nationwide cause of death for children ages one through 12 years old.

A new Oregon law for children under two years old requires they use a child seat with harness in a rear-facing position unless the child turned one year of age prior to May 26, 2017.

A child over age two or who turned one year of age prior to May 26, 2017, must continue to ride in a car seat with harness or in a booster until they reach age 8 or 4' 9" in height and the adult belt fits them correctly.

The new law, which extends the rear facing requirement from age one to age two, will better protect the child's head, neck, and spine from potential

crash injuries.

Rear-facing seats spread crash forces evenly across the seat and child's body, while also limiting forward or sideways motion of the head.

For help selecting or

installing child car seats, consult the seat manufacturer's instructions, your vehicle owner's manual, or visit a local child seat fitting station listed at: [www.nhtsa.gov/apps/cps/index.htm](http://www.nhtsa.gov/apps/cps/index.htm).

## Eclipse tips offered to Lane County residents

Lane County is gearing up to help residents and visitors make the most of the 2017 solar eclipse on Aug 21.

"With much of Lane County at or close to 99 percent totality we have a great opportunity to view the eclipse without fighting traffic and the risk of being stuck on the road during the event," said Lane County Emergency Manager Linda Cook. "We encourage residents to enjoy the eclipse from a location near them — a backyard, balcony or similar place can provide a great and convenient view."

Tips for Lane County residents during the eclipse include:

- Consider the eclipse a multi-day event with increased traffic through Aug. 23.
- Florence is on the "path to the path" of totality. Roads on and off major highways might

be busier than usual so be sure to remain patient.

- Keep cool and be kind in crowds and traffic. It's sort of like a busy holiday that only comes once every 100 years or so.

The next total solar eclipse to cross Oregon will happen in 2169.

- Don't get stuck. Bypass the lines by filling up gas tanks and grocery shopping early in the week before the eclipse.

- Be patient with the internet, the ATM and cell phones. With the increased number of visitors, internet and cellular service may become slow or overwhelmed, especially on Monday.

- Lastly, Don't fall for a fake: wear certified glasses made to protect eyes from an eclipse.
