

# Another Bloomin' Success

A huge thank you to all of the volunteers, sponsors, and supporters of the Florence flower basket project! This project is a collaboration between the Chamber, FURA, City of Florence Public Works, and private individuals and business owners. Coordinated by the Florence Downtown Revitalization Team, 55 baskets were sponsored this year to brighten up Historic Florence! Thank you to all of our sponsors for your help, and thank you to the community for your support and appreciation!
