Gallery One & Five exhibit: Collen Goodwin-Chronister

The Friends of FEC's Gallery Committee has announced an exhibit showcasing the artwork of award winning artist Colleen Chronister-Goodwin.

Goodwin-Chronister resides in Florence and her contemporary realism style allows her to create exquisite oil paintings, which reflect a rich color palette and meticulous attention to detail.

"My paintings are evocative visual statements. They reflect our world through my eyes — a magical interpretation," said Goodwin-Chronister. "The world is an endless source of inspiration and excitement for me, and my goal is to share that experience with the viewer."

Goodwin-Chronister has lived on both the East and West Coast, and earned her B.A. and teaching

credential from California State University, Fresno.

She has won acclaim for her unique paintings, earning prestigious awards in juried shows throughout the country. These include more than two dozen People's Choice and Best of Show

awards.

Her paintings have been collected by patrons across the country and are included in many private collections.

The public has the opportunity to meet this esteemed artist and view some of her works at an Artist Reception at the FEC during the Second Saturday Gallery Tour, Sept. 9, from 3 to 5 p.m.

Refreshments will be served.

Additionally, Goodwin-Chronister's art will be exhibited during the entire month

of September in both Galleries One and Five.

"When I see a viewer slowly reach out to touch my art, I know that I have succeeded. In the end, my art takes on a life of its own," said Goodwin-Chronister.
