Siuslaw... Ducks?

PHOTOS BY NED HICKSON/SIUSLAW NEWS

Hans Petersen Field, home of the Siuslaw Vikings, was home to another group of local favorites Tuesday morning as members of the University of Oregon Ducks football team traveled to Florence to escape poor air conditions in the valley in preparation for this Saturday's much-anticipated home game against Nebraska. Though the practice was closed to the public and media due to security concerns, the public was allowed to view warm-ups before being denied access once upcoming play formations began. The Ducks are coming off a 77-21 rout of Southern Utah over the weekend — the second largest win in Ducks football history since a 97-0 win over Willamette in 1916.

Siuslaw opened its football season at home Friday, taking on Elmira in what turned out to be a bruiser for the Viks, whose air miles weren't able to overcome the Falcon's ground game. Quarterback Jared Brandt went a respectable 11-for 19 from the pocket for 122 yards, with catches from Trent Reavis, Quincy Rusk, Skyler Loomis

FISHING REPORT FOR
THE LOCAL REGION

MID COAST LAKES
Olalla Reservoir has been stocked with about 100 surplus summer steelhead from the Siletz Falls trap, this season. These fish get fairly active in the lake and offer a unique fishing experience.

Once in the lake they are considered "trout" and do not require a Combined Angling Tag. Anglers are reminded, however, that only one trout per day over 20 inches may be retained, and these fish will almost all be in that size range.

Mid Coast lakes been stocked with trout throughout the spring. Trout stocking is over until the fall but there still should be fish around to catch. Water temps are great and fish should be hungry, so go catch them.

SIUSLAW RIVER:
Chinook, trout

Fishing is starting to pick up in the bay. There should be some nice cutthroat around. Remember the limit on streams and rivers is two per day over 8-inches.

ALSEA RIVER:
