Viks improve, but fall to Billies

BY NED HICKSON
Siuslaw News

Friday's match-up with Pleasant Hill wasn't the win the Vikings were looking for, but it was still a vast improvement over Siuslaw's season-opening 50-0 loss at the hands of Elmira a week earlier.

"We had a good start, which is something we can build on," Siuslaw head coach Jamin Poole said Friday night. "We just have to stop beating ourselves and eliminate the mental mistakes. As long as we can do that,

we'll continue to make progress and compete."

Siuslaw's offense, which was blanked by the Falcons, showed marked improvement against the Billies, leading 6-0 and 12-6 in the first quarter before narrowly falling behind 13-12 following an 18-yard touchdown reception in the second quarter.

MID COAST LAKES
Olalla Reservoir has been stocked with about 100 surplus summer steelhead from the Siletz Falls trap, this season. These fish get fairly active in the lake and offer a unique fishing experience.

Once in the lake they are considered "trout" and do not require a Combined Angling Tag. Anglers are reminded, however, that only one trout per day over 20 inches may be retained, and these fish will almost all be in that size range.

Mid Coast lakes been stocked with trout throughout the spring. Trout stocking is over until the fall but there still should be fish around to catch. Water temps are great and fish should be hungry, so go catch them.
