There were nine girls teams and 12 boys teams on hand for this year’s annual Woahink Invitational cross country meet, hosted by Siuslaw High School at Honeyman State Park’s East Day-Use Area. The 5,000-meter course, which includes a combination of asphalt, grass and narrow trails that wind through the park’s east and west sides, provides multiple challenges due to its mixture of terrain. In the girls race, Siuslaw sophomore Hannah Rannow continued her leadership for the Lady Viks, crossing the

After rallying to overtake an 0-2

deficit in last Tuesday’s come-from-behind match win at home against South Umpqua, the Lady Vikings found themselves in a similar situation last Thursday at Marshfield. After losing the first two sets, 25-23, 25-16, Siuslaw rallied to win the

next two games, 25-14, 25-19, to tie the match at two games each. Unfortunately, it was the Pirates that held out for the fifth-set win, 15-9, to take the top spot in the Far West League at 5-1. The loss puts Siuslaw at 3-3 in

league (7-6) heading into the second half of the season this week against Brookings-Harbor (last night) and Douglas at home this Thursday, beginning at 6:30 p.m. Next week, Siuslaw will finish the regular season on the road.

MID COAST LAKES:  
Olalla Reservoir has been stocked with about 100 surplus summer steel-head from the Siletz Falls trap, this season. These fish get fairly active in the lake and offer a unique fishing experience.

Once in the lake they are considered “trout” and do not require a Combined Angling Tag. Anglers are reminded, however, that only one trout per day over 20 inches may be retained, and these fish will almost all be in that size range.

Mid Coast lakes been stocked with trout throughout the spring. Trout stocking is over until the fall but there still should be fish around to catch. Water temps are great and fish should be hungry.

SIUSLAW RIVER:  
Chinook, trout  
Fall Chinook angling continues and fishing is picking up in tidewater. Trout season continues with some nice cutthroat around. Remember the limit on streams and rivers is two per day over 8-inches.

Anglers are reminded the two-rod validation is only valid while angling in standing water bodies excluding coastal lakes with wild coho seasons.

Two rods are prohibited on all coastal rivers, tide-water, estuaries and bays.
