PEACE HARBOR HELPS 'JOURNEY THROUGH GRIEF'

The Peace Harbor Hospice "Journey Through Grief" class will offer grief education through a unique 8-part class that meets weekly, Oct. 4 through November 22.

This is a chance for those who are in mourning, or know people who are, to meet others with the same experience, learn that grief is a normal process, talk about their grief in a safe, non-judgmental environment, receive support, offer support to others by listening and learn about the grieving process.

The classes cover a wide variety of topics, including changes experienced in bereavement, self-help approaches, understanding the

grief process, cope with stress with emphasis on self-care, role changes and exploring what helps and does not help with loss.

The classes also include discussion as participants share experiences and receive support from others.

"Journey Through Grief" will be led by a trained bereavement counselor and confidentiality is assured.

There is no charge to participate, and all materials will be provided and open to all community members who have experienced the death of someone.

For more information and to register, call Nancy Smith LCSW at 541-997-3418.

Outdoor burning date delayed due to fire danger

The fall outdoor burning season is expected to open on Saturday, Oct. 7, for many Lane County residents.

The season, originally set to start Oct. 1, has been delayed a week.

The Lane County Fire Defense Board decided to postpone the opening of the season due to the drier weather conditions and heightened fire danger still present in Lane County.

"The little bit of rain we

have seen has helped, but it is not quite enough to end the fire season," said Lane Regional Air Protection Agency (LRAPA) spokesperson, Jo Niehaus. "If we don't get more significant rainfall, the Fire Defense Board could further delay the start of outdoor burning season."

Outdoor burning, also known as open or backyard burning, allows some Lane County residents to burn dry woody yard debris that was

generated on their own residential property. All fires must be extinguished by sunset and burning garbage and other unauthorized materials is illegal.

LRAPA reminds residents that rules differ throughout the county, with some cities banning burning within city limits all together.

Violation of outdoor burning rules can result in stiff fines. Residents should call LRAPA's outdoor burning advisory line

at 541-726-3976 before burning to check eligibility.

Due to the heavy wildfire smoke intrusions this summer, LRAPA encourages residents to explore alternative options to burning. Residents can dispose of woody yard debris for a minimal charge at one of Lane County's various collection depots.

Chipping and composting are also alternative options to burning.
