The Lady Vikings volleyball team was at home Tuesday night to kick off

the second half of the Far West League season on its home court, where Siuslaw nabbed its second three-game sweep of the Bruins.

The Lady Viks came out strong, with kills from sophomore Mia Collins, junior Jordan Long and senior Alyssa Richards fueling an 13-4 advantage

that prompted a Bruins timeout.

Brookings only managed six more points in the opening set as Richards sparked another long Siuslaw scoring run with a hard-hitting spike, followed by a series of Bruins errors and

(With more than 55 years as an athlete, coach, official, parent and spectator, I've gained some insights and perspectives regarding athletics. In this weekly column, I share what I've learned about sports from these multiple points of view.)

The consequence of forfeiting

In my mind, the decision to forfeit the Sept. 29 Far West League football game against North Bend will have a lasting effect on Siuslaw High

 FISHING REPORT FOR
 THE LOCAL REGION

MID COAST LAKES:

Olalla Reservoir has been stocked with about 100 surplus summer steelhead from the Siletz Falls trap, this season. These fish get fairly active in the lake and offer a unique fishing experience.

Once in the lake they are considered "trout" and do not require a Combined Angling Tag. Anglers are reminded, however, that only one trout per day over 20 inches may be retained, and these fish will almost all be in that size range.

Mid Coast lakes been stocked with trout throughout the spring. Trout stocking is over until the fall but there still should be fish around to catch. Water temps are great and fish should be hungry.
