game against the No. 3 finisher in the Mountain West Special District 2 division.

Last Friday, the Sailors looked like a team on a mission.

“All week we talked about being ready to play and not being complacent,” said Mapleton coach Jeff Greene. “We talked about respecting our opponent and to keep our momentum going.”

Key to that continued momentum was the ability to play well on both sides of the football, which the Sailors had little trouble with.

Offensively, the Sailors had 10 touchdowns, including 5 from junior wide receiver Evan Moso, who rushed 11 times for a total of 247 yards.

Senior quarterback Dominic Wells had 2 touchdowns for the Sailors, along with 163 yards rushing on 11 carries and 55 yards passing.

The Sailors also got touchdowns from senior Spencer Cole on a 65-yard catch; freshman Trysten Wagner, who had 70 yards on 2 rushes; senior Tanner Wilson; and a touchdown pass from freshman JJ Neece, who also nabbed 81 yards rushing on 4 carries.

“We talked about how you

can turn a corner in performance and get to the next level,” said Greene. “We also talked about how hard it can be to sustain it — and what we needed to do to make that happen.”

At center, sophomore Dylan Rogers “had a great night, snapping the ball well and providing protection,” said Greene.

Defensively, sophomore Nate Neece sparked Mapleton with 9 tackles and a fumble recovery.

“Nate just keeps getting better and better,” Greene said.

Wells had 8 tackles for the night, along with 4 tackles from Spencer, 3 tackles from Rogers along with 2 interceptions.

“Trysten has a nose for interceptions and reads the offense well,” Greene said of Rogers, who also broke up a pair of pass plays.

Other tackles came from Wilson with 5, and JJ Neece with 6.

“It was a great team win and something we’ll continue to build on,” said Greene.

The Sailors will host a rare afternoon game this Saturday, with Mapleton taking on Horizon Christian in a non-league match-up.

Kick-off is set for 1 p.m.

**Fishing** from 1B

**SILETZ RIVER:** Steelhead, Chinook, trout

The Siletz River remains open for fall Chinook and fish-

ing is starting to pick up in tidewater.

Anglers are reminded the two-rod validation is only valid while angling in standing water bodies excluding coastal lakes with wild coho seasons.

Two rods are prohibited on all coastal rivers, tidewater, estuaries and bays.

Trout remains open and there should be some nice cut-throat around. Remember the limit on streams and rivers is

two per day over 8-inches.

**COOS COUNTY LAKES AND PONDS:** Warmwater fish, trout

Largemouth bass fishing has been good in many of the area smaller lakes.
