EDDYVILLE *d* MAPLETON: 21-25, 25-21, 26-24, 25-21
MCKENZIE *d* MAPLETON: 25-15, 25-5, 25-13

After falling to two pairs of Eagles earlier this week — Eddyville and McKenzie — the Sailors will finish the season today by hosting Siletz Valley and a rematch with McKenzie.

Tuesday, Mapleton came out strong

in search of its second win of the season, taking a quick 11-5 lead that included aces from freshmen Trinity Peterson and Emily Stevens, as well as kills from junior Erin Michael.

Michael went on to deliver a series of aces later in the game to give the Lady Sailors a 19-7 advantage that prompted an Eddyville timeout.

From there, the Eagles rallied, closing the gap to within four, 20-24, before the Lady Sailors were able to take the first set, 25-21.

In the second set, Mapleton was able

to establish a late lead on six service points from Peterson to go ahead 20-14. But once again, the Eagles rallied — this time to tie the match by winning the set, 25-21.

From there, Eddyville took a one-game lead in a narrow 26-24 win of the third set.

Mapleton took control of the fourth set as Stevens served up 8 straight points, including three aces, and a kill from Peterson for an 8-0 lead.

N. BEND *d* SIUSLAW:
25-15, 25-20, 25-20

The Lady Vikings volleyball team had a tough time on the road last week, traveling to North Bend (7-3) and South Umpqua (8-2), where they were swept in three sets by the third-place Bulldogs, then the Lancers, who are tied for first place with Marshfield.

Though at 5-5 in the Far West

Sophomore setter Ayleene Vazquez puts the ball up for a kill shot for the Lady Vikings.

League and fourth place overall, the Viks could still reach the OSAA 4A state playoffs, depending on how the final rankings play out this Tuesday.

While the Pirates and Lancers will battle it out this Tuesday for the league title on neutral ground in Coquille, the final rankings will be determined after

New camping rate at Oregon state parks begins Nov. 1

SALEM — The Oregon Parks and Recreation Department (OPRD) is raising state park camping rates by \$2 for some types of campsites effective Nov. 1. The Oregon Legislature approved the \$2 increase as part of the 2017-19 Oregon Parks and Recreation Department budget.

After a public comment period in

August and September, the Oregon State Parks and Recreation Commission approved the rate increase at its September 2017 meeting.

The rate for a typical full hookup RV site at the state's most popular campgrounds will rise to \$30 per night, and basic yurts will go from \$40 to \$42. Rates will also rise by the same \$2

amount for deluxe yurts, basic and deluxe cabins, electric sites, and hiker-biker camping areas.

Tent camping rates, currently \$17-\$19 per night, will not change.

More information is available at bit.ly/OregonStateParks rates.

Choosing All-Stars

Youth league all-stars are chosen to represent their cities, towns or leagues in tournaments. Coaches select players from their own teams to be all-stars, and there are efforts made to have one player from each team.

Do coaches always select the best players?

A WEEKLY FISHING REPORT FOR THE LOCAL REGION

www.dfw.state.or.us/RR

MID COAST LAKES:

Olalla Reservoir has been stocked with about 100 surplus summer steelhead from the Siletz Falls trap, this season. These fish get fairly active in the lake and offer a unique fishing experience.

Once in the lake they are considered "trout" and do not require a Combined Angling Tag. Anglers are reminded, however, that only one trout per day over 20 inches may be retained, and these fish will almost all be in that size range.

Mid Coast lakes been stocked with trout throughout the spring. Trout stocking is over until the fall but there still should be fish around to catch. Water temps are great and fish should be hungry.

SIUSLAW RIVER:

Chinook, trout

Fall Chinook angling continues and fishing is picking up in tidewater. Trout season continues with some nice cutthroat around. Remember the limit on streams and rivers is two per day over 8-inches.

Anglers are reminded the two-rod validation is only valid while angling in standing water bodies excluding coastal lakes with wild coho seasons.

Two rods are prohibited on all coastal rivers, tide-water, estuaries and bays.

ALSEA RIVER:

Chinook, trout

Fall Chinook fishing is starting to pick up in tide-water. Trout season continues and there should be some nice cutthroat
