Central Coast Disposal

I helped my husband start Central Coast Disposal in May of 1999. With a few bookkeeping & accounting classes under my belt, I became office manager for our company. After 17 years, our business continues to grow. My daughter, Clarita Thrall, joined us in July 2007 & has become a major asset to our company. She handles most phone calls, & has taken over the majority of our bookkeeping & accounts receivables.

TR Hunter Real Estate

It has been a delight to serve the Florence community in the capacity of Realtor for the past 14 years, and, now that I can Notarize, my services are growing. My family in childhood lived in a small town, too, that contracted and plastered homes. I can still recall smells of fresh cut wood. It's so much of the small moments to be grateful for. I wish to take this opportunity to Thank each and everyone of the folks coming through here, and to wish You a fulfilling upcoming Holiday season.
