Viks head into final stretch of Far West season

By NED HICKSON
Siuslaw News

SIUSLAW: 7 SOUTH UMPQUA: 54

The Vikings (0-4) will take to the field for the final game of the season this Friday, when Siuslaw travels to Brookings-Harbor to take on the Bruins (0-4).

Last week, the Vikings hosted the Lancers of South Umpqua High School during the last home game for Siuslaw's five seniors: wide receiver Ryan Lee, quarterback Jared Brandt, wide receiver Patrick Hill, wide receiver Trent Reavis and lineman Salvador Sierra.

The Lancers (3-1), currently tied for second place with North Bend, had little trouble with

the Vikings, taking an early lead and allowing only one trip across the goal line for Siuslaw — provided by Reavis with blocking from fellow senior Hill.

South Umpqua finished with the win, 54-7.

This Friday, the Far West League will finish the regular season, with Siuslaw and Brookings-Harbor each hoping for a win to end the season on.

Kick-off for Friday's game is set for 7 p.m. at the Bruins' den.

Siuslaw senior wide receiver Trent Reavis approaches the end zone to provide the Vikings with their only touchdown against the Lancers last Friday.

SAILORS TO PLAY FOR TITLE

MAPLETON: 68 HORIZON CHR.: 34

In a rare Saturday afternoon game, the Sailors hosted Horizon Christian for what amounted to a tune-up game for this Friday's chance at the Mountain West League Special District

3 title — and the state play-offs.

"We actually had kind of a slow start," Mapleton coach Jeff Greene said of Saturday's opening quarter. "Our expectations have gone up a few notches this season because of the potential we have, so this was an opportunity to explain that we can't come into Friday's game like that."

Despite a slow start, the Sailors still

managed to get on the scoreboard with a little over 4 minutes remaining in the first quarter, on a 7-play drive that ended with a 52-yard carry by junior Evan Moso — followed by a conversion from freshman JJ Neece. It would be the first of 7 conversions and 9 trips into the end zone for Mapleton.

A WEEKLY
FISHING REPORT FOR
THE LOCAL REGION

www.dfv.state.or.us/RR

MID COAST LAKES:

Olalla Reservoir has been stocked with about 100 surplus summer steelhead from the Siletz Falls trap, this season. These fish get fairly active in the lake and offer a unique fishing experience.

Once in the lake they are considered "trout" and do not require a Combined Angling Tag. Anglers are reminded, however, that only one trout per day over 20 inches may be retained, and these fish will almost all be in that size range.

Mid Coast lakes been stocked with trout throughout the spring. Trout stocking is over until the fall but there still should be fish around to catch. Water temps are great and fish should be hungry.

SIUSLAW RIVER:

Chinook, trout
Fall Chinook angling continues and fishing is picking up in tidewater. Trout season continues with some nice cutthroat around. Remember the limit on streams and rivers is two per day over 8-inches.
