## Fishing

from 1B

Trout season continues with some nice cutthroat around. Remember the limit on streams and rivers is two per day over 8-inches.

Anglers are reminded the two-rod validation is only valid while angling in standing water bodies excluding coastal lakes with wild coho seasons.

Two rods are prohibited on all coastal rivers, tidewater, estuaries and bays.

**ALSEA RIVER:** *Chinook, trout*  
Fall Chinook fishing is starting to pick up in tidewater. Trout season continues and there should be some nice cutthroat around. Remember the limit on streams and rivers is two per day over 8-inches.

Anglers are reminded the two-rod validation is only valid while angling in standing water bodies excluding coastal lakes with wild coho seasons.

Two rods are prohibited on all coastal rivers, tidewater, estuaries and bays.

**SALMON RIVER:** *Chinook, trout*  
Fall Chinook fishing is starting to pick up in the estuary and upriver to the hatchery. Trout season continues and there should be some nice cutthroat around. Remember the limit on streams and rivers is two per day over 8-inches.

Anglers are reminded the two-rod validation is only valid while angling in standing water bodies excluding coastal lakes with wild coho seasons.

Two rods are prohibited on all coastal rivers, tidewater, estuaries and

bays.  
**SILETZ RIVER:** *Steelhead, Chinook, trout*

The Siletz River remains open for fall Chinook and fishing is starting to pick up in tidewater.

Anglers are reminded the two-rod validation is only valid while angling in standing water bodies excluding coastal lakes with wild coho seasons. Two rods are prohibited on all coastal rivers, tidewater, estuaries and bays.

Trout remains open and there should be some nice cutthroat around.

Remember the limit on streams and rivers is two per day over 8-inches.

**WILSON RIVER:** *Chinook, steelhead, trout*

Fall Chinook fishing opened on the Wilson River Sept. 16. With the recent rains, there are probably a few fish sneaking in. Bobber fishing bait, back-bouncing, back-trolling plugs or divers and bait, or casting spinners can all be effective methods.

Anglers are reminded the Wilson River is closed to salmon angling until Dec. 31.
