

GENERAL NEWS

Free shuttle Oct. 30, 31

Free rides? That's not a trick, that's definitely a treat! Greentrees Village will sponsor free rides for all passengers on the Rhody Express on Monday, Oct. 30, and Tuesday, Oct. 31. The Rhody Express travels in and around Florence, conveniently serving Historic Old Town and Uptown areas. Service is provided hourly each weekday between the hours of 10 a.m. and 6 p.m. For more information about how to access the Rhody Express or to find service route maps or times, call River Cities Taxi at 541-902-2067 or visit www.ltd.org/Rhody.

Fall harvest to benefit local teens

Twin Lakes Store has begun fundraising for its annual Teen Giving Tree. It is asking the community for donations of produce and fruit. One hundred percent of proceeds are used to buy Christmas presents for local teens. "Gleaning the local gardens and fruit trees has been a great way to raise money for our Teens," said Vicki Ambrosio, owner of Twin Lakes Store. "The customers benefit from fresh, local produce and help our local teens at the same time." Asian apples have just arrived and other produce will come in as they ripen. Anyone with an abundance of fruit or vegetables can donate them to this fundraiser. Twin Lakes Store is located three miles North of Florence on Highway 101, by Sutton Lake. Donations can be dropped off during business hours, seven days a week, from 8 a.m. to 9 p.m. For more information, call 541-997-3021.

Port of Siuslaw to place debris booms at marinas

To prepare for the winter storm season, the Port of Siuslaw will begin placing protective log booms around its marinas. In early November, booms will be placed around the East and West boat basins and the boat launch located at the end of Harbor Street in Historic Old Town Florence. Increasing debris flow in the Siuslaw River over recent years requires the port to take these protective measures. Debris trapped in the basins

can damage docks and moored vessels, as well as hinder boat launches. The log booms are placed around the marinas to reduce the amount of debris that enters the basins. Port staff still expends many hours per week removing floating debris that enters the basins in spite of the boom logs, or from when the booms are left open. Boaters are advised to use care when operating around the log booms, and should not

attempt to move the booms during strong winds or rough water conditions. Boaters are responsible for securely replacing the log booms after their boat enters or exits the marina or launch ramp area. The port is investigating the purchase of new, lighter-weight and easier to handle debris booms, but until those can be acquired, boat operators should give careful consideration to the current and river conditions

before attempting to move the log booms. Chains and shackles secure the booms, but handling lines are attached to each boom for ease of opening and closing the boom. Instructions will be posted at the docks for moving and securing the booms and port staff are available to answer questions or provide assistance. Any questions should be directed to the Port office at 541-997-3426.

City holds Stormwater Management Plan open house

The City of Florence is completing an update to the Stormwater Management Plan to address local flooding problems and protect the quantity and quality of water in the aquifer, Munsel Creek, Siuslaw River and other valuable natural resources. Join neighbors at a community meeting on Wednesday,

Nov. 1, from 5:30 to 7 p.m. at the Florence Events Center (FEC), 715 Quince St., to hear what the consultant team and staff have identified as existing drainage and flooding problems around the city. From these problem areas, the consultant team will develop recommendations and prioritize projects to resolve the

drainage issues and deficiencies. The first session is Nov. 1 from 3 to 4 p.m. at the FEC and will be for community members living in the area of Creekside Pines between 16th and 18th streets. The second session will follow from 4 to 5 p.m. for community members living

within the Mariners Village Development. In February, Public Works Director Mike Miller provided Florence City Council an in-depth presentation on the existing Stormwater Management Plan. For more information about the event, contact Miller at 541-997-4106.

Florence Community Suppers continue this week

Four churches in Florence work together each month to provide free dinners for community members. Florence Community Suppers are held Wednesday nights from 5:30 to 6:30 p.m. The dates and locations are as follows:

- Nov. 1 - Presbyterian Church of the Siuslaw, 3996 Highway 101
- Nov. 8 - New Life Lutheran Church, 21st and Spruce streets
- Nov. 15 - St. Andrew's Episcopal Church, 2136 19th St.
- Nov. 29 - Florence United Methodist Church, Second and Kingwood streets

St. Andrews Episcopal, New Life Lutheran, Presbyterian Church of the Siuslaw and Florence United Methodist Church provide these dinners as a service to anyone who would like to join in a friendly meal.

Last Resort Players' new logo designs due Nov. 2

The board of directors of Last Resort Players (LRP), a local nonprofit theater group that performs at the Florence Events Center, has extended the competition to create a new logo to replace LRP's current logo. The new logo will be on LRP letter heads, its website and social media, T-shirts and membership cards. Submissions must be received no later than Nov. 2, and more than one design can be submitted by artists. The design can be in black and white or color. Submissions can be mailed

to Last Resort Players, P.O. Box 2104, Florence, OR 97439, or emailed to LRP secretary Judy Adams at lastresortplayers2@gmail.com. The LRP members will choose the new logo and a final decision will be made at the board meeting on Nov. 9. The winner will receive \$200 and the distinction of having their logo mass produced and displayed in many formats. For ideas, visit the LRP website at www.lastresortplayers.org. For more information, call Adams at 541-999-9392.
