Fishing from 1B

scenic warmwater fishing in the state with excellent fishing for bass and panfish available in large waters such as Mercer Lake, Siltcoos Lake, and Tahkenitch Lake.

Tennmile Lakes located north of Coos Bay is renowned for its crappie and trophy bass fisheries, and the site of bass tournaments. Anglers should also try one of the many smaller lakes scattered along Highway 101 and throughout the coastal dunes area, or Triangle Lake closer to the Willamette Valley.

The warmwater fish available in the south coast area include: Largemouth bass, smallmouth bass, bullheads, black crappie, bluegill, pumpkinseed, yellow perch, green sunfish, warmouth and channel catfish.

North and South Tennmile Lake provide some of the finest warmwater fishing on the Oregon coast. Located on the east side of Hwy 101 midway between Reedsport and Coos Bay, the combined lakes offer nearly 2,000 acres of water and miles of shoreline to fish for largemouth bass, bluegill, crappie and brown bullhead catfish.

Much of the property around Tennmile is privately-owned and the lakes are best fished by boat, but a fishing dock at Tennmile Lake County Park in the small community of Lakeside is wheelchair accessible and a great spot for kids. There also is a camp-

ground and boat launch at the County Park. Spinreel Campground (US Forest Service) on the west side of Hwy 101 offers camping for those wanting an extended

stay. Several area resorts and marinas also provide camping spaces, lodging and boat rentals.
