### Book review

"The Broken Road"  
by Richard Paul Evans

In "The Broken Road" by Richard Paul Evans, Chicago celebrity Charles James can't shake the nightmare that wakes him each night. He sees himself walking down a long, broken highway, the sides of which are lit in flames. Where is he going? Why is he walking? What is the wailing he hears around him?

By day, he wonders why he's so haunted and unhappy when he has all he ever wanted — fame, fans and fortune, and the lavish lifestyle it affords him.

Coming from a childhood of poverty and pain, Charles finally has the life he's dreamed of. But now, at the pinnacle of his career, he's started to wonder if he wanted the wrong things. His wealth has come legally but questionably, from the power of his personality and his ability to seduce people out of their hard-earned money.

When he learns that one of his customers has committed suicide because of financial ruin, Charles is shaken. The cracks in his façade widen, spurring him to question everything: his choices, his relationships, his future and

the type of man he's become.

Then a twist of fate changes everything. Charles is granted something remarkable: a second chance. The question is, what will he do with it?

"The Broken Road" is the first book in a much-anticipated new trilogy by best-selling author Richard Paul Evans. It is an engrossing, contemplative story of redemption and grace and the power of second chances. It is an epic journey you won't soon forget.

### Lego Club

The Lego Club meets this Friday at 2:30 p.m. in the library's Bromley Room. This activity is open to children old enough to work independently without parental assistance, creating and exploring the wonderful world of Legos.

The club meets the first and third Fridays of each month.

### Learn Excel

Join library staff member Lynda Green for a basic class about Microsoft Excel, on Tuesday, Nov. 21, from 1:30 to 3 p.m. in the library's Bromley Room.

This class is one of two Excel classes the library has been hosting each month.

The first in the month is an open lab where patrons can

bring in their devices and their questions about computers and tablets and more, while the second class focuses on a particular computer application or program, such as email, using online database, and more.

### Mark your calendars for a concert!

The library is pleased to present musicians David Helfand and Justin Lader on Saturday, Dec. 2, at 2 p.m. This will be an afternoon of vibrant, transcendental original music inspired by magical journeys and featuring music from their latest album, "Through the Portal."

Helfand and Lader, of Eugene, Ore., together have remarkable skills with the Celtic harp, octave mandolin, violin, viola, guitar, and keyboards. This concert is free and open to the public.
