Heroes & Villains

Old and new faces will join the ages-long battle of good and evil in 'The Last Jedi'

Porgs

Found swooping and roosting on the cliffs of Luke Skywalker's remote island hide-away on Ahch-To, these bird-like aliens are both territorial and curious.

BB-8

This Astromech Droid is feisty, spherical and devoted to Resistance pilot Poe Dameron.

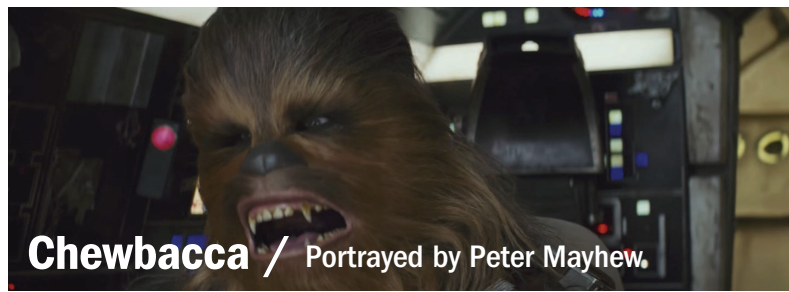

Luke Skywalker / Portrayed by Mark Hamill

A Tatooine farmboy who rose to become one of the greatest Jedi the galaxy has ever known, Luke is brother to Leia and uncle to Kylo Ren. After hiding himself away on a remote planet, he has been found by Rey – and doesn't seem happy about it.

Kylo Ren /

Portrayed by Adam Driver
Once known as Ben Solo, Kylo Ren wields the dark side of the Force. After killing his father Han Solo, he now hunts the Resistance.

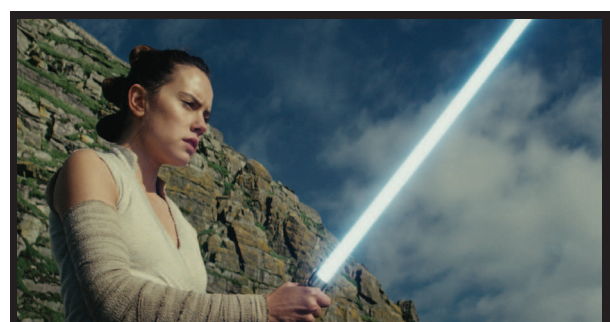

Chewbacca / Portrayed by Peter Mayhew

Known as "Chewie" to his friends, this mighty Wookiee warrior fought alongside the Rebel heroes who brought down the Empire. An expert pilot, mechanic and marksman with his bowcaster, Chewie joins Rey on her journey to find the missing Luke.

General Leia Organa / Portrayed by Carrie Fisher

Leia Organa was one of the Rebel Alliance's greatest leaders, fearless on the battlefield and dedicated to ending tyranny across the galaxy. Sadly, her son Ben was led away by the dark side, becoming the fearsome Kylo Ren.

Rey / Portrayed by Daisy Ridley

After leaving her old life on Jakku behind, Rey discovered that she possesses the mysterious power of the Force. At the beginning of the film, she finds herself face-to-face with missing Jedi master Luke Skywalker. Will he train her or reject her?

Poe / Portrayed by Oscar Isaac

An ace pilot, Poe Dameron is a leader in the Resistance's fight against the evil First Order. His expert piloting skills helped him destroy the First Order's dreaded Starkiller Base.

Captain Phasma /

Portrayed by Gwendoline Christie

This mysterious warrior commands the vast armies of the First Order with ruthless efficiency. Defeated by Finn during the assault on Starkiller Base, she seems to have unfinished business with the former stormtrooper.

Supreme Leader Snoke

The Supreme Leader of the First Order, the mysterious Snoke is powerful with the dark side of the Force.

Hotshot Resistance pilot Poe Dameron (Oscar Isaac) ended the last film a hero after his small strike team successfully destroyed the First Order's Starkiller Base.

It seems that he'll start the next film back in the thick of space-battle action. Numerous shots in the trailers show him running through corridors of Resistance battle cruisers with loyal Droid BB-8 hot on his heels.

Less clear is what happens to Finn (John Boyega), the former stormtrooper turned Resistance warrior. At the end of "The Force Awakens," Finn was badly hurt by dark-sider Kylo Ren (Adam Driver). He clearly makes a full recovery, as footage in the film's second trailer

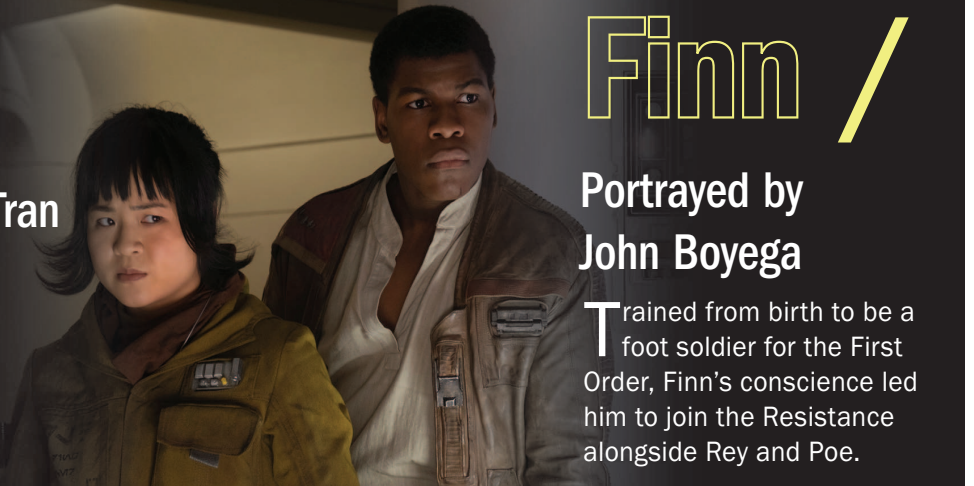

shows him locked in a fiery confrontation with Captain Phasma (Gwendolyn Christie), his commanding officer from the days when he still served the evil First Order.

With any luck, Finn will reprise his role as the emotional heart of the film. While Rey, Poe and Finn all had moments of heart and humor in the movie, Finn was the only of the three heroes who didn't have a special talent to fall back on. Rey was preternaturally gifted in the Force; Poe was an expert pilot. Finn's true gift was his conscience, which first prompted him to leave the First Order's evil ways behind, and then to join the side of good to fight with the Resistance.

Rose /

Portrayed by Kelly Marie Tran

Rose Tico and her sister Paige have had a grudge against the First Order since they were children. Now part of the Resistance support crew, Rose finds an opportunity to step into the larger conflict.

Finn /

Portrayed by John Boyega

Trained from birth to be a foot soldier for the First Order, Finn's conscience led him to join the Resistance alongside Rey and Poe.

A recent letter from the Zappala family.

Wanda, We have gone through the buying and selling process many times but we have never received better service, cooperation and professionalism than we did with you. This could have been a nightmare for us considering it was a long distance transaction, an FHA loan and significant repairs that needed to be coordinated and done. Brenda and I are very thankful to you for everything you have done to see this deal to the end and to help us realize the rewards of our investment. Thank-you. Talk to you soon.
