OBITUARY

STILES—Dorothy Stiles, 90, of Florence, died Dec. 13, 2017.

She was born May 5, 1927, in Saratoga, N.Y., to Willard and Nellie Russell. She was a nurse and, while working in the infirmary of Cornell University, met her husband, Herbert Stiles.

Dorothy worked as a nurse in New York State, South Dakota, Maryland, Gallaudet College in Washington, D.C., a hospital in Santa Fe, New Mexico, and a prison in Atascadero, Calif. Dorothy and Herbert moved to Greentrees in Florence in 1990 and greatly enjoyed their years of retirement together.

When she found Florence, she found her home. She loved the town and her friends and family. Dorothy was

always active volunteering, traveling, playing cards, baking, knitting and gardening. She knitted sweaters constantly for family, friends, newborn babies and Red Cloud Indian School in South Dakota.

She will be remembered with love.

Dorothy was preceded in death by Herbert, her husband of 49 years. She is survived by her son, Richard Stiles, and his wife, Allison; grandchildren Gregory, Eric and Laura; and by her daughter, Anne Williams.

The family would like to thank all the folks who cared for her at Spruce Point Assisted Living and Memory Care, and Peace Harbor Home Health and Hospice.

At her request, private cremational rites were held through Burns's Riverside Chapel Florence Funeral Home.

Remember Dorothy by treasuring your time with family and friends.

STATE POLICE ANNOUNCES CLOSURE OF HIGHWAY 22

Highway 22 is currently closed and motorists traveling between Central Oregon and the Willamette Valley are being urged to take Highway 20 through Sweet Home or Highway 26 through Government Camp.

Over the weekend, Oregon State Police dispatch received several calls of motorists attempting to take Highway 22, but being rerouted by their GPS units onto Forest Service roads near Detroit.

One motorist became stuck in the snow and the other ran out of gas. Often these Forest Service Roads are not maintained in the winter and are snow covered.

Additionally, there is little to no cell coverage in these areas. In 2006, a tragedy occurred in Josephine County, when the James Kim family followed GPS directions into BLM land during winter conditions.

The family became stranded and, after two days, James Kim left on foot for help. He was later found deceased due to exposure to the elements. The remaining members of his family were located and rescued. Travelers are urged to stay on maintained roads and state highways, while navigating the mountain passes.

Motorists are also urged to carry with them an emergency kit while traveling.

The Oregon Department of Transportation website lists the following items to be carried in your vehicle for safety, includ-

ing essential supplies such as: a working flashlight and extra batteries; reflective triangles and brightly-colored cloth; a compass; first-aid kit; exterior windshield cleaner; ice scraper and snow brush; wooden stick matches in a waterproof container; scissors and string or cord; non-perishable, high-

energy foods like unsalted canned nuts, dried fruits and hard candy; bottled water; properly inflated spare tire, wheel wrench and tripod-type jack; shovel; jumper cables; tow and tire chains; bag of salt or cat litter; and a tool kit.

People can add items for driving long distances in cold,

snowy and icy conditions: gloves; socks; cap and blankets.
