Firefighters to host annual Christmas tree pick-up

Dried out Christmas trees can be very dangerous, particularly as temperatures drop and wood stove and other home heating devices go up.

To be safe, Siuslaw Valley Fire and Rescue encourages residents to dispose of their dried Christmas trees to reduce the chances of a fire occurring in their homes.

To assist with the disposal of Christmas trees, SVFR volunteers will be holding their annual Christmas Tree Pick-Up on Saturday, Jan. 6.

A \$5 donation is requested but not required. Donations can be placed in a small plastic bag and attached to the tree before pick-up.

For more information or to arrange for pick-up, call SVFR at 541-997-3212.
