REUSABLE DISHWARE PROGRAM

Save Money & Help The Planet With Durable Dishware Program

According to the Clean Air Council, every year Americans throw away enough paper products, plastic cups, forks and spoons to circle the equator 300 times! In 2008 paper products, (cardboard, newsprint and office paper) made up 31% of municipal waste in our landfill.

How can you help? Ditch the disposables!

Save money and the environment by using reusable dishware, from Florence Master Recycler's Durable Dishware Rental Program.

Florence Master Recyclers have put together 150 place settings that include: plates, bowls, glasses, cutlery and even cloth napkins. Platters and serving spoons are also available, and rental is free! If your event is outdoors there's even a mobile washing station for your needs. We can accommodate groups as small as a dozen or as large as 150.

To learn more about the Durable Dishware Program and to reserve dishes for your event call (541) 590-0506.

Florence Master Recyclers are a volunteer organization supported by the Lane County Waste Management Division. Follow Florence Master Recyclers on Facebook: <https://www.facebook.com/FlorenceRecycles>
