

THE RECORD

OBITUARIES

MOBLEY — Benjamin Bruce Mobley, 55, of Florence, passed away Jan. 5, 2018.

Born June 18, 1962, Ben lived his life out in Florence, where he was born and raised by Carol and Benjamin Mobley.

Benjamin Mobley

His greatest treasures in life were his two sons and grandchildren. He was the joker of the family and would tease the kids any chance he got.

He loved his family very much and will be missed greatly.

He is survived by his two sons: Byron and Blake Mobley; his brother, Jack Mobley; two grandchildren, many aunts, uncles, cousins, nieces and nephews.

The family will be having a celebration of life at the Woahink Lake meeting hall on Saturday, Jan. 27, at 2 p.m. This will be a non-formal event where friends and family can reflect on their time with Ben by enjoying some food (food and drinks will be provided) and share stories.

Burns's Riverside Chapel Florence Funeral Home was in charge of arrangements.

In lieu of flowers, contributions can be made to a memorial fund setup in Ben's name that may be left at the celebration or with Burns's Riverside Chapel.

NYBERG — Our beloved Claudia Nyberg died peacefully in her favorite chair in her lovely Florentine Estates home, at the age of 79, on the evening of Jan. 2, 2018.

She bravely fought an illness for three years, was fiercely independent (getting a haircut from Lisa, a blood test and picking up groceries at

Fred Myers on the day of her death.)

She was empathetic, generous, keenly observant and loyal to many long-time friends (Gini Schwerin, Lili Hunter, Roxxy Shope, Juel Ann North, and Lloyd Little) yet she was pleased to be helpful in the lives of younger friends like Melinda Enlow and Jaiden, Leah Goodwin, as well as the Peace Health staff and especially Nurse Liz in Wound Care.

Claudia Nyberg

Brooke Shafer, Sharon David and Nancy Mattice assisted in her passing.

Officer Merriman's compassion deserves praise and Courtney Burns and Andy's quiet kindness was appreciated.

Claudia was a native Oregonian, born and raised in Portland by Betty and Claude Nyberg, both deceased. She graduated from Jefferson High School in Portland, earned a BA at the University of Oregon where she played golf, then received a Masters Degree in Guidance and Counseling from Oregon State University.

She began her teaching career in Bend, moved to Portland's Cleveland High School, and was later accepted into a NDEA Guidance and Counseling program.

From there, her empathy for, and understanding of, ado-

lescent behavior led to a successful counseling and administrative career in education until her retirement in Simi Valley, Calif.

Claudia entered the ski business in Santa Monica Calif., along with her partner of 44 years, Dr. Marilyn Buchanan. They traveled extensively for the business, retired to Florence and fished every Summer in Kitimat, B.C., transferring their skills from the classroom to teaching children ways to fish.

Just before the snows came, they packed up fresh-frozen salmon and headed home to share many salmon dinners

with friends.

Claudia was a homebody who understood the need for people to feel the warmth of a roof over their heads. She bequeathed her home to Habitat for Humanity, assisted by Carol and Rodger Bennett.

She adored her many Schnauzers and, as her life closed down, was delighted by dozens of hummingbirds.

She is irreplaceable. Her standard comment: "Each day is a new adventure" will be repeated by those who knew her.

Burns's Riverside Chapel Florence Funeral Home was in charge of arrangements.

Day-use hours to change at Honeyman State Park beginning Jan. 22

Effective Jan. 22, the hours of operation at the East Woahink, West Woahink and Sand Dune day use areas at Jessie M. Honeyman State Park will revert to standard daylight business hours, 8 a.m. to 4 p.m.

Access from Canary Road will be gated overnight, and opened daily, as posted.

Park Manager Justin Helberg noted that gates to the areas had been kept open as a courtesy to dog walkers, joggers and other users who come to the areas early — or

late — in the day. The West Woahink and Sand Dune areas were being used respectfully, with a few isolated incidents.

However, East Woahink suffered from vandalism and persistent, serious problems with unauthorized driving. This left the natural, grassy area damaged beyond routine repair.

Helberg was concerned the East Woahink problems would spread to the other two areas, which prompted the after-hours closure of all three sites.

"It's very unfortunate," Helberg said. "But the East Woahink area has become so degraded and the incidents so frequent that we are now concerned for public safety."

Helberg said that because all three day use areas are somewhat isolated, reports of problems often come too late for staff or law enforcement to intervene.

Park hours are posted on signs around the park. Visitors can also check the state park website at www.oregonstateparks.org.
