

THE RECORD

OBITUARIES

DUMBAULD—Betty June Dumbauld, 97, passed peacefully away on Wednesday, Jan. 24, 2018, at her home in Florence.

She was born on Aug. 28, 1920, in St. Joseph, Mo., to Mrs. Elaine Marie Lannic and Mr. Willard Prindle.

Betty was preceded in death by her husband, James Samuel Dumbauld in 2007.

They were married on Nov. 20, 1943, in Los Angeles, Calif.

Betty was beloved by her large family and many friends. She is survived by her daughters: Diane Elaine Harris and her husband Jim, of Newburgh, Ind.; and Jivan Joti Kaur Khalsa and her husband Guru Terath Singh of Espanola, N. M.; seven grandchildren, 14

great-grandchildren, one great-grandchild, and many nieces, nephews and cousins.

Betty and Jim raised their daughters in Culver City, Calif., and then in North Hollywood, Calif.

During her daughters' formative years, Betty was mostly a stay-at-home Mom. Later, she assisted at the Methodist Church in North Hollywood and then held a responsible position with the Methodist Headquarters in Pasadena, Calif.

She was an active volunteer for many years with the American Cancer Society and drove patients to their medical appointments.

Upon Jim's retirement from AT&T, they moved to Stallion Springs, Calif., where they had their home built on the golf course; they both were avid golfers.

Betty and Jim were active in getting the first Elks Lodge established in Tehachapi and

they were very active in the community. During this time, Betty pursued her love of tap dancing and became a member of the "Boogie Woogie Mamas" tap organization. This group performed on cruises, at retirement homes and for many special events.

In 2000, Betty and Jim moved to Florence and once again established their home on a golf course, at Ocean Dunes Golf Links. This allowed them to enjoy many wonderful golfing days.

They became active members of the New Life Lutheran Church and both were devoted to the Lord. Betty was also a long-time PEO sister, a volunteer for Meals on Wheels, and yes — active in her love of tap dancing.

While living in Florence, Betty taught tap at the local Lane Community College and in her home studio. She choreographed tap routines and with the ladies she taught, per-

formed at the Florence Events Center, at local retirement facilities and for special events.

We cannot forget the love Betty had for her dog, Zinger and Sandy. She took them on many beach walks.

Both Betty and Jim dearly loved the Florence community and the beauty of the ocean and its surroundings.

Betty's life was one "well-lived" in her faith and love for her family and friends. She will long be remembered and her legacy will live proudly on in memory of this wonderful lady.

A memorial service will be held at the New Life Lutheran Church (21st and Spruce streets) on Saturday, Feb. 4, at 11 a.m. In lieu of flowers donations may be given in her memory to the New Life Lutheran Church or to Peo Chapter DY. IDFIT investigation finds officer-involved shooting lawful

This afternoon, District Attorney Patty Perlow announced that, following a review of the investigation of the Inter-Agency Deadly Force Investigative Team (IDFIT) relating to the officer-involved shooting death of Robert Martinez Jr., it has been determined that the incident was a lawful use of deadly force.

On Monday, Jan. 15, at approximately 4 p.m., deputies with the Lane County Sheriff's Office were notified of a suspicious vehicle at 559 Clairmont Drive, an unincorporated area of Lane County in Eugene.

Deputy Richard Smith, a three-year veteran with the Lane County Sheriff's Office, arrived in the area at approximately 4:48 p.m., and with the assistance of a local area resident, observed a stolen vehicle parked in the driveway of 559 Clairmont Dr.

Deputy Smith could not see that the vehicle was occupied when he arrived, and while confirming the license plate of the vehicle, both the driver,

Robert Martinez, Jr., and the passenger, Miles Smith, exited the vehicle. Deputy Smith gave commands to both men to get back in the vehicle, and then to get on the ground, but neither complied.

Deputy Smith then pointed his taser at Martinez as the suspect walked toward the front door of 559 Clairmont Drive, warning him that he would be tased if he did not get on the ground.

Rather than comply, Deputy Smith reported — and video surveillance captured from a nearby residence confirmed — that Martinez instead reached toward his right jacket pocket and produced a semi-automatic handgun.

Witness statements, including Miles Smith, confirmed that Deputy Smith provided audible warnings prior to using his taser. Miles Smith also confirmed that Martinez was reaching for what he believed was a gun.

Deputy Smith deployed his taser, which had no effect, prior

to transitioning to his handgun. He then fired at Martinez until Martinez went to the ground and was no longer an immediate threat to the Deputy.

Deputy Smith reported that Martinez was raising the gun toward him when he shot at Martinez, and believed he would have been shot had he not fired first.

The investigation showed that Deputy Smith discharged his taser at Martinez, but it was not effective, as one probe struck his sweatshirt and the other did not make contact.

After additional units arrived on-scene, Deputy Smith moved Martinez to a position of cover. The passenger had fled the scene and his whereabouts were unknown at that time.

Once in a position of cover, responding officers from the Eugene Police Department took over providing care for Martinez until medics from the Santa Clara Fire Department and Eugene/Springfield Fire Department assumed care for Martinez, eventually transport-

ing him to the hospital.

Martinez died a short time later.

"During the entire incident, Deputy Smith displayed a calm demeanor that can be attributed to his training and professionalism," said Perlow. "The citizens of Lane County can be proud of the men and women in law enforcement who respond with courage to these dangerous events every day.

"We should be grateful for a community that we have people willing to serve us in this way."

Dollman pleads 'not guilty' to animal neglect

BY MARK BRENNAN
Siuslaw News

Heather Dollman was arraigned at the Florence Judicial Center on nine counts related to animal neglect Wednesday morning.

Judge Rick Brissenden presided over the arraignment, during which Dollman pleaded not guilty to all charges. Brissenden said a date will soon be set for her trial and mailed to her home.

Lane County Animal Services responded to reports of neglect related to two horses on Dollman's property Dec. 21, 2017, resulting in a neglect citation and assistance from Oregon State Police in the removal of the animals. At the time, Dollman was cited on two counts each for lack of food in sufficient quality and quantity; lack of necessary veterinary care; and unsuitable confinement.

During Wednesday's arraignment, Brissenden also addressed concerns that, according to court records, Dollman still owes \$1,313 from previous fines. Brissenden suggested that Dollman make arrangements to take care of the fines as soon as possible.

Dollman explained that she was attempting to relocate the horses under her care to a more

suitable location and Brissenden directed Dollman to write a letter to the Court explaining her plan for the relocation.

Dollman recently resigned

from her position as an animal technician at the Oregon Coast Humane Society after the neglect citations in question were issued by Lane County Animal Control.
