## HOROSCOPES

**ARIES** – Mar 21/Apr 20  
Aries, take some time to assess a situation before you act on gut instinct. Your initial reaction may not be the best way to go. Ask a trusted friend for advice.

**TAURUS** – Apr 21/May 21  
Taurus, when you get an idea in your head, it can take a monumental effort to persuade you to think otherwise. This week your ideas may need tweaking.

**GEMINI** – May 22/Jun 21  
Stop planning for the immediate future and start thinking long-term, Gemini. This way you can relax as much as possible and enjoy the ride knowing all things are in order.

**CANCER** – Jun 22/Jul 22  
It is very easy to become complacent, Cancer. Just when you thought your week would be routine, things get stirred up in ways you never would have imagined.

**LEO** – Jul 23/Aug 23  
Leo, if a career change has been on your mind, it may be better to dip a toe into the waters rather than jumping in all at once. Try an internship before making a commitment.

**VIRGO** – Aug 24/Sept 22  
Virgo, it's understandable that you want to prove yourself as capable as ever. But accepting a little help is not a sign of weakness. In fact, it is a sign of strength.

**LIBRA** – Sept 23/Oct 23  
Family matters push to the forefront, Libra. This may require all of your attention for the time being. Clear your schedule so you can give this the attention it deserves.

**SCORPIO** – Oct 24/Nov 22  
Scorpio, overcoming challenges as they are presented to you is one of the things that makes you so successful. But even the best task master needs some rest and relaxation.

**SAGITTARIUS** – Nov 23/Dec 21  
You may find yourself at the center of social occasions, Sagittarius. If you want to be the life of the party, then go ahead. If you want to remain on the sidelines, that's fine as well.

**CAPRICORN** – Dec 22/Jan 20  
It's not worth getting into an argument to win a point with someone who doesn't have all of the facts, Capricorn. Rest your case and forge ahead with what you know is right.

**AQUARIUS** – Jan 21/Feb 18  
A change of direction may not be the right fit for you at this moment in time, Aquarius. If you have been pondering a move, you may want to devote more time to vetting the idea.

**PISCES** – Feb 19/Mar 20  
Splurge on something that you have been considering buying for a while, Pisces. As long as you can afford it, you can splurge without any guilt.

**MEET JETTY**  
Jetty is a lovable struggle bug that craves human attention. She loves walking, hiking, and playing outdoors. She is very adept at fetch and is keen on learning new games and tricks. During her downtime, Jetty loves to be near her human companions. At the shelter, Jetty tends to be stressed when left alone and would need to be near people for most of the day. Jetty tends to feed off of the energy of other animals near her. She tends to be protective around dogs that are high energy but also gets along well with other canine friends who have a more mild-mannered demeanor.

**MEET CELESTE**  
Hi, I'm Celeste, I came to the shelter as a new mom. Now that my babies are grown and gone to lovely homes it is my turn. I would prefer to be an only kitty as I do not like to share my person or people. I enjoy cuddling on laps and playing with toys. If you are looking for a stunner to add to your family, come in and meet me, you will fall in love!!
