

# FLORENCE HOUSEHOLD HAZARDOUS WASTE ROUNDUP TO TAKE PLACE APRIL 13, 14

Lane County is holding a free hazardous waste roundup for households and will collect up to 35 gallons of hazardous waste per customer. Businesses, schools, churches or non-profit organizations are subject to disposal fees.

This will be on Friday, April 13, from noon to 5 p.m. and Saturday, April 14, from 8 a.m. to 2 p.m. at the Florence Transfer Station, 2820 Rhododendron Drive.

All community members are welcome to participate in the roundup.

**What to bring:** Paint,

household cleaners, lawn and garden chemicals, car care products, arts and crafts products, pool chemicals, fluorescent lamps and other household hazardous waste. Check labels for words such as flammable, corrosive, poison, caution and danger.

**Don't bring:** Empty containers, drums, compressed gas cylinders, radioactive waste, asbestos, electronics or explosives. Any empty containers can be safely thrown in the trash. For information about disposal of radioactive waste, asbestos and explo-

sives, call 541-682-3899.

**What about hazardous waste from businesses?** Businesses, nonprofit organizations, schools and churches that generate small amounts of hazardous waste may pre-register for this event. They must pay a fee for disposal of their waste, but most can save money by using this program rather than a contractor.

**Electronics recycling:** The Glenwood, Cottage Grove, Creswell, Florence, Marcola, Oakridge, Rattlesnake, Veneta and Vida transfer sites accept the following items for free

during normal operating hours (maximum of seven items at a time): televisions, computer monitors, central processing units (CPUs) and laptops. Appointments are required and fees may apply for more than seven items; call 541-682-4120 to make an appointment. There is a \$35 charge for large copy or printing machines and large floor-standing electronics.

Please call 541-682-4120 for more information regarding hazardous waste disposal for households or businesses.

**SIUSLAW PIONEER MUSEUM PRESENTS**

*A Collection of Fabric Woven by Alice Peckham of Swisshome and a demonstration of the antique 4-harness floor loom used in the Peckham family for 3 generations.*

A 4-harness direct tie-up counterbalance 1951 Allen Loom, built in Milwaukie, Oregon, and woven on by three generations of the Peckham family of Mapleton, was donated to the Pioneer Museum by Peckham with the hope that "[real words involving inspiring others to weave if I remember right]."

The warping process will continue every Saturday at the museum (noon to four) until the job is done and weaving commences. All weavers are welcome to come and help or share ideas, including (1) what we could do next and (2) what commitment we can collectively make to assure that the loom remains an active, interactive, part of our community. That four-hour window offers a good opportunity for Florence area weavers to get to know each other.

Spinners, there is room on the same floor of the Pioneer Museum to bring your spinning wheels to share your craft and maybe inspire some new spinners too. The museum has a few spinning wheels, none near operational.

## Food Share announces new operations manager

There have been many recent changes at Florence Food Share, including the pantry expansion, which has now been completed, thanks to the support from the Florence community. Along with these changes, Food Share is announcing its plans for the future.

The Food Share Board of Directors has promoted Colin Morgan to the position of operations manager.

Morgan has worked at Florence Food Share for over 10 years, both as a volunteer and an employee in the warehouse.

Board President Rick Klessig said that "Colin will oversee all of the ordering, purchasing, storage and distribution of food at the pantry. In addition, he will manage the day-to-day activities of the pantry, including assuring that clients have access to fresh, healthy food, that volunteers are available to help clients,

and that our operations run as efficiently as possible.

"Colin knows Florence Food Share inside and out, and his incredible work ethic makes him a perfect fit for us."

Klessig stated that Florence Food Share will seek a part-time Executive Director, who will oversee fundraising and grant writing, interact with the food share's donors and partners, and develop new programs.

Klessig said that "structuring Food Share with a part-time executive director and a full-time Operations Manager makes the best use of the funds so generously donated by our community."

Florence Food Share, 2190 Spruce St., is open to clients Monday to Friday from 9:30 a.m. to 1 p.m., Monday and Wednesday evenings from 4 to 6 p.m. and the second and fourth Saturdays of each month from 10 a.m. to 1 p.m.

## Kindergarteners, parents invited to SES meet and greet

Siuslaw Elementary School will host its spring kindergarten pre-registration Meet and Greet on Monday, April 23, from 6 to 7 p.m. Parents and 2018-19 kindergarten students are invited to visit the classrooms and meet the teachers.

Parents will also be able to learn more about the school readiness program, KITS (Kids in Transition to School).

Kindergarten pre-registration packets will be going out to preschools in the area. Parents of children not in preschool can pick up packets at Siuslaw Elementary School, 2221 Oak St., and return them

to the school office by Monday, May 7.

Full registration for kindergarten and all students will take place Aug. 15 to 16, from 9 a.m. to 3 p.m. at SES.

A student must be five years old on or before Sept. 1 in order to start kindergarten. Oregon law also requires that students starting school be up-to-date on all age appropriate immunizations.
