### Did You Know?

A survey by Barco, a leader in wireless collaborative technology, found that most workers felt their effectiveness affected by the number of daily meetings. Fortunately, with the right technology, you can increase engagement. Learn more and see the technology at [www.barco.com/en/clickshare](http://www.barco.com/en/clickshare). Invasive pests cost America \$40 billion a year. They come from other countries and can spread quickly, since they have few natural predators here.
