Voter registration deadline approaches on Tuesday

The voter registration deadline for the May 15 Primary Election is Tuesday, April 24. This is also the deadline for voters to change their party affiliation.

Registration options include:
 • Online at www.oregonvotes.gov no later than 11:59 p.m. on April 24. The online option is available to those with a valid Oregon driver's license, DMV-issued identification card or learner's permit.
 • Submit a voter registration

form to the Elections Office by 5 p.m., Tuesday, April 24.

• Mail a voter registration card to the Elections Office postmarked no later than Tuesday, April 24.

The Lincoln Street ballot drop box at Lane County Elections will be open now through Tuesday, April 24, at 5 p.m. to make it easier for voters to drop off completed registration cards.

New voters who will turn 18 on or before the May 15 Election Day may register by

the April 24 deadline and receive a ballot, even if they are still 17 on the deadline date.

Primary elections are held so the members of a party can choose the party's candidates for office. Only registered Democrats, Republicans and Independents can vote to nominate candidates for their respective political parties. Other registered voters will receive a ballot with nonpartisan offices only.

For any questions on voter registration and elections in

Oregon, go to www.lanecounty.org/elections or call Lane County Elections at 541-682-4234.

Lane County Elections is located at 275 W. 10th Avenue, on the corner of 10th and Lincoln in downtown Eugene. Public office hours are 9 a.m. to noon and 1 p.m. to 4 p.m., Monday through Friday.

On Election Day, May 15, the Lane County Elections Office will be open from 7 a.m. to 8 p.m.

Road repair work closes South Jetty parking temporarily

South Jetty No. 7 parking area outside of Florence will receive improvements this week. The end of South Jetty Road and the South Jetty No. 7 parking area will be closed to vehicles from April 19 through Tuesday, April 24, while local contractors repair and resurface the parking area.

Visitors may access the crab dock and beach by foot but are encouraged to use caution as they may encounter heavy equipment and road flaggers throughout the weekend.

This project was initiated by Conway Pebley, one of the Siuslaw National Forest's

VetsWork interns, an AmeriCorps program hosted by the Mt. Adams Institute. As part of the program, each intern must complete a Community Assistance Project in the local area where they are assigned.

When he first arrived, Conway visited South Jetty and saw how popular the area is. He also noted an opportunity to improve the parking area, which was full of large potholes. "It was instantly apparent to me that this is what I wanted to do for my Community Assistance Project," said Conway. "I saw how many people were using

the area and I didn't even feel comfortable driving my high clearance vehicle through the parking lot."

Central Coast District Ranger Michele Jones said, "This program is really win-win. We get great people to come help us accomplish important work and the interns get valuable experience to help their transition to civilian life."

The VetsWork program offers 11-month career development internships for military veterans interested in natural resources, land management and the environmental sector. VetsWork participants are

placed at local, state and federal land management agencies such as the U.S. Forest Service, where they provide project support while learning about various career paths.
