

FlorenceFest '18 Juried Art Show

The Florence Regional Arts Alliance (FRAA) wants to invite everyone to join them at the second annual Florence Fest. In addition to sampling fine wine and listening to talented jazz musicians, you have the opportunity to enjoy unique artwork selected for this event.

Juror Margaret Prentice has selected 55 pieces out of the artwork submitted. Showcased pieces include stunning 2D art from a variety of media (oil, watercolors, photography, etc.) as well as exquisite 3D selections of pottery from artists in 6 different states. While local Florence artists are very well represented, there is work from artists in Portland and Eugene, as well as the North and South Coast. In addition, artists from Seattle, Idaho, Colorado, Texas and New Jersey were selected for the show.

Festival attendees will be given a ballot for a people's choice award and \$2,500 in cash prizes will be awarded for best in each category and for first, second and third overall.

Selection for the exhibit was made by Prentice, who is an accomplished painter and printmaker and has curated numerous exhibitions throughout the Northwest. She is currently Professor Emeritus in the Art Department at the University of Oregon where she taught for 26 years. Prentice has exhibited her work in over 250 collections nationally and internationally.
