## 'Click it or Ticket' campaign underway now through June

Law enforcement across Oregon will be reminding motorists and their passengers about Oregon laws during a campaign that focuses on using the right safety child safety restraints.

Studies show using the proper restraint can reduce the risk of major injury or death by 65 percent.

Yet in Oregon in 2016, crash data shows lack of a

safety belt or a child restraint system was a factor in 26 percent of the 343 motor vehicle occupant deaths.
