During last night's Athletic Excellence Awards Dessert hosted by KCST at Siuslaw High School, 26 athletes were recognized for their commitment and contributions to athletics at Siuslaw and Mapleton high schools, as well as their individual accomplishments over the 2017-18 school year. Gathered with friends and family, each athlete at the dessert had been spotlighted at some point throughout the year — some more than once — as KCST's Athlete of the Week.

During the course of the last three sports seasons, the athletes being honored had contributed to a total of 19 new school records and won 17 individual district and state titles between the Vikings and Sailors.

Among those athletes, 12 finalists were announced earlier in the week. Finalists for the girls included Abby

WATERED DOWN SPORTS

"Watered Down" refers to something weaker or less forceful than in its original form. It may have its origin from early saloon owners, who often "watered" their whiskey to make the supply last longer.
