## Free screenings of 'Revenge of the Electric Car' to include free electric car rides June 19

With support from Central Lincoln, the Siuslaw News, KCST Radio and City Lights Cinemas, Florence's Green Movie, set for June 19, will be two showings of the documentary "Revenge of the Electric Car," a sequel to "Who Killed the Electric Car?" about Jaguar-esque electric coupes GM leased to drivers in the 1990's, but later repossessed and dismantled.

A short panel discussions featuring local electric vehicle owners will be held after each showing of "Revenge," and movie goers will be able to test drive or ride in a Tesla 3 or a Tesla X, as well as the more-affordable Chevy Bolt, Kia Soul and Nissan Leaf.

"Revenge of the Electric Car" shows how four car companies are launching electric vehicles for fans and hoping to win over skeptics.

Director Chris Paine (who also directed "Who Killed the Electric Car?") obtained unprecedented access to electric

car research and development programs at General Motors, Nissan and Tesla Motors, while also following an independent mechanic converting gas-powered cars to electric vehicles.

As more and more models of electric cars arrive in showrooms and driveways around the world, "Revenge" offers an entertaining account of this revolutionary time in transportation.

Show times for "Revenge of the Electric Car" are set for Tuesday, June 19 at 1:30 p.m., and at 6:30 p.m.

Free tickets are first-come, first-served, and should be picked up in advance at City Lights Cinemas, 1930 Highway 101, but are limited to four per person.

To sign up to drive or ride in an electric car after the movie showings, send an email to in-fo@clpud.org or call 541-574-2004 and leave a message.

## Elks host 'Stand Around' hot rod, classic car show

The 2018 "Stand Around Rod and Classic Car Show" held last Saturday at the Florence Elks was sponsored by the Rhody Cruisers and was considered quite the success by organizers.

Vehicles included approximately 20 of the 37 cars and trucks from Reno, Nev., that were touring the Northwest.

Hot cars from Waldport's HWY 101 also participated in the show.

DJ Jep, from the Elks, provided old-time rock & roll music from the 50s and 60s.

The Elks also served hamburgers, hot dogs and soda.

Exalted Ruler Chef Danny and all Elk members assisted in putting on the show.

Members of Rhody Cruisers dared the rain by bringing their classics and rods to the first-ever "Stand Around," which is a car show for anyone who has a unique car or truck wanting to display their vehicle at an informal gettogether.

"Hopefully this will be a future event in the years to come," said Gary McDonald, President of the, Rhody Cruisers Car Club.
