HOROSCOPES

ARIES - Mar 21/Apr 20
Aries, this week seems like a race, but you may be losing steam. With a lot of distance still left to cover, it's time to conserve your energy and find some assistance.
TAURUS - Apr 21/May 21
Taurus, your imagination is very active lately, so much so

that it may make it difficult to concentrate on anything else. Make an effort to get work done in spite of the distractions.
GEMINI - May 22/June 21
Gemini, others may misinterpret your enthusiasm for a carefree nature. However, you are actually busy getting the job done - even if you're having some fun doing it.
CANCER - June 22/July 22
It's possible you may misread someone's intentions,

and it could get you in a bit of hot water, Cancer. Don't make any assumptions and apologize if you make mistakes.
LEO - July 23/Aug 23
Leo, if your energy levels are waning, find a way to put some hop in your step. Take a break from work if necessary. This is a great way to recharge.
VIRGO - Aug 24/Sept 22
Virgo, you haven't yet found your groove at work, but don't get discouraged because it will happen. Pay attention to oth-

ers around you and how they act.
LIBRA - Sept 23/Oct 23
Even if others think you are ambivalent, you possess a clear picture of what you want and where you are heading, Libra. Don't let others' misconceptions sway you.
SCORPIO - Oct 24/Nov 22
Scorpio, if left to your own devices, you can get your work done quickly. But over-coming distractions may be difficult in the days ahead. Do

your best to stay the course.
SAGITTARIUS - Nov 23/Dec 21
Sagittarius, if you are feeling high strung or nervous, you may just need to take a little time away from a situation to reorient yourself. Come back with a fresh perspective.
CAPRICORN - Dec 22/Jan 20
Capricorn, don't put others off by being too serious. Learn how to let loose a little bit this week and your friends will

flock to you in no time at all.
AQUARIUS - Jan 21/Feb 18
Aquarius, you're normally a people person, but every once in a while you enjoy solitary time to think and avoid crowds. This could be the week for that.
PISCES - Feb 19/Mar 20
Everything seems to be unfolding on schedule, Pisces. This is advantageous because you don't have to put in extra effort or sweat the details.

MEET JETTY
Jetty is a hyper, lovable snuggle bug that craves human attention. She loves walking, hiking, and playing outdoors. She is very adept at fetch and is keen on learning new games and tricks. During her downtime, Jetty loves to be near her human companions. She has quite the prey drive and would need to be in a home with no small animals. Jetty also tends to feed off of the energy of other animals near her. She is protective around dogs that are high energy but also gets along well with other canine friends who have a more mild-mannered demeanor. Due to her size and energy level a home without small children is recommended.

MEET RAISIN
Raisin is a rather shy senior. He will come sit by you for pets. He may take some time getting used to a home environment. He does seem to get along with other cats. I think he would prefer a quieter home with older kids.
