

Florence Food Share benefits from Windermere Community Service Day

On June 8, Windermere Real Estate/Lane County donated their time, muscle and energy to the Florence Food Share and Garden for the annual Community Service Day. Real estate brokers from Windermere spent the day tending to the garden and harvesting food. Here, Desiree Johnson helps with the garden while Rob Shepherd carts over a load of materials. Each year, Windermere staff members from 300 offices across the western United States gather together to devote their workday to making positive changes in the neighborhoods they serve.
