Aging in Place Forum Partners

PARTNER: AARP OF LANE COUNTY

Two staff members from AARP Lane County will be at the AARP exhibitors' booth to provide information and answer questions about AARP's Smart Driver Course from 10:00-12:00 and 2:00-4:00, and their AARP Foundation Tax-Aide services from 12:00-2:00.

The Smart Driver Course can be taken in a classroom or online and teaches learners evidence-based safe driving techniques and smart useful tips for navigating today's traffic. Completion of this course may qualify you for multi-year discounts on your car insurance.

The AARP Foundation Tax-Aide program is a volunteer-based free service offering tax preparation and tax counseling according to your individual needs. Since 1968 this program has helped nearly 50 million taxpayers. Each year well-trained AARP Tax Aide volunteers offer free income tax assistance at the Siuslaw Public Library during tax season.

AARP is heavily involved in the issue of "Aging in Place", and has gathered many resources on the AARP website to help seniors and those who care for seniors to plan for successful "aging in place". In addition, the AARP Public Policy Institute and the National Conference of State Legislatures published two research reports. The first was entitled "Aging in Place: A State Survey of Livability Policies and Practices", the second was "Aging in Place: A Toolkit for Local Governments. To learn more and to see the many resources AARP has for seniors and for those who care for seniors, visit www.aarp.org
