- Theft was reported in the 1300 block of Highway 10.
- Harassment was reported in the 4000 block of Highway 101.
- Arrest, with warrant, was reported in the 1300 block of Highway 101.

Fire Marshal reminds public to keep fireworks purchases legal

The Office of State Fire Marshal (OSFM), Oregon Fire Service, Keep Oregon Green, the Pacific Northwest Wildfire Coordination Group, natural resource agencies, Oregon licensed fireworks wholesalers and safety experts encourage Oregonians to “Keep it Legal and Keep it Safe” when using fireworks.

The 2018 Oregon fireworks retail sales season opens Saturday, June 23, and runs through Friday, July 6.

The OSFM and its partners want everyone to know which fireworks are legal to use in Oregon without a permit, where they are permitted to be used and the important safety steps to take when using fireworks.

“I want to remind all Oregonians that consumer legal fireworks can only be purchased from Oregon permitted fireworks retailers and stands,” says State Fire Marshal Jim Walker. “Regulations limit where those fireworks may be used. Fire risk in Oregon is approaching extreme conditions and there is no room for error in fireworks safety.”

July Fourth holiday public land visitors are advised to leave all fireworks at home.

The use of fireworks is prohibited on all national forestland, Oregon State Parks and beaches.

“It’s best to leave fireworks to the professionals,” states Keep Oregon Green President Kristin Babbs. “Support your local community by enjoying fireworks at sponsored events.

If you choose to use fireworks at home, make sure they stay on the pavement and always keep a bucket of water nearby for safety and to extinguish spent fireworks.”

Oregon law prohibits possession, use or sale of any firework that flies into the air, explodes or travels more than 12 feet horizontally on the ground, without a permit issued by the OSFM.

Fireworks commonly called bottle rockets, Roman candles and firecrackers are illegal in Oregon without a permit.

There were 318 reported fireworks-related fires in Oregon during 2017, resulting in eight injuries and more than \$861,000 in property damage.

Over the past five years, from 2013 through 2017, there were 1,355 reported fireworks-related fires in Oregon resulting in one death, 34 injuries, and more than \$3 million in property damage.

Officials may seize illegal fireworks and charge offenders with a class B misdemeanor, which could result in a fine of up to \$2,500 per violation and a civil penalty of up to \$500. Those who misuse fireworks or allow fireworks to cause damage are liable and may be required to pay fire suppression costs or other damage. Parents are also liable for fireworks damage caused by their children.

“All Oregonians share the responsibility to use only consumer legal fireworks and use them carefully,” adds Walker.

LOST:

Beloved family cat missing.
WISKAS is a male cat.
*He was last seen around Laurel Ct.
He has a blue colored bone tag on his collar,
that has his name on it. But the phone number
and address on it is now outdated.*

The new phone number is
541-991-9436.
