

## Support Boy Scouts at Pancake Breakfast

Indulge in a breakfast of fluffy pancakes and sizzling sausages while supporting Florence Boy Scouts this Saturday, July 14, from 8 to 11 a.m., when the Florence Elks Lodge hosts Boy Scout Troop #777 for the bi-annual Pancake Breakfast.

The Scouts are raising money to help pay for Scout Camp and future outings.

The breakfast will be at the Florence Elks Lodge, 1686 12th St.

It costs only \$8 — and \$2 for seconds — for a plate full of pancakes and sausages. Coffee and juice are also included.

Contact Scoutmaster Chris LaCasse at 458-215-5538 for more information about the breakfast or to join Boy Scouts.

The Florence community is a proud supporter of its Boy and Cub Scout troops, as well of the local Girl Scouts.

## Beat the dog days of fishing

Oregon Department of Fish & Wildlife has released its Recreation Report with tips for summer fishing, sage-grouse permits and hunter education.

Fishing can get a little tough during these hot summer days — water temperatures increase, aquatic weed growth accelerates, and fish get lethargic.

Here are some ideas to help you beat the dog days of fishing:

- Fish early in the morning when waters are cooler, and fish are more active.

- Look for fish in deeper water, where it's cooler.

- Focus on warm water species like bass, crappie, bluegill and walleye.

- Travel to higher elevation lakes and streams where the water, and you, will be cooler.

- Consider a trip to the coast where ocean and bay fishing hold up throughout the summer.

The fall hunting season will be here before you know it. Hunter education is required for all hunters 18 and under, and is re-

quired for adult hunters in many popular, nearby states. Sign up now for a hunter education course (online, workbook or traditional) or field day.

The sage-grouse season is eight days in September and is open by permit only. The application period is from July 1 to Aug. 20.

Check page 17 of the 2018-19 Oregon Game Bird Regulations for a list of open areas.

## Clean Water Comment Writing Workshop

Siuslaw Climate Alliance, Florence Organizes, Surfrider Siuslaw Chapter and Oregon Wild are hosting a comment writing workshop on Monday, July 16, at 5:30 p.m. in the Bromley Room at the Siuslaw Public Library, 1460 Ninth St.

This is part of the "No LNG Exports Campaign."

In May, the Oregon DEQ and the U.S. Army Corps opened a 60-day comment period for a critical permit that, if denied, could stop the proposed Jordan Cove LNG export terminal and Pacific Connector

fracked gas pipeline.

Learn how you can help to stop the proposed pipeline and

terminal by participating in this comment writing workshop.
