MEET DEXTER
Hello there, my name is Dexter! Do you have time and energy to play with me? If you do, I am the puppy for you! I love to play ball and spend my day exploring with my people. I am looking to find my new, loving forever home. Although I am still learning my manners, I am already making great progress with the kennel staff! I tend to get along well with other larger dogs, but would need to meet any new canine friends before I go home. Because of my puppy energy and strength, a house with no small children is recommended.

WE NEED A HOME....

MEET TEDDY
My name is Teddie and I am very happy to meet you. I am a lover boy, an explorer, a good friend and playmate. I get along with everyone. Just like a teddy bear, you'll want to snuggle with this Teddie and take him everywhere with you. Teddie is very sweet and gets along with his buddy Sunday. Many times you will find them curled up in a bed together having a nice snooze. Teddie is on a high quality grain free food that will need to be maintained throughout his life. He is currently on drug therapy to help with his liver condition. He has been very stable for a few months now so we are in hopes that he will have a happy life in the right home.
