Kid Scoop Together:

FUN AT THE FAIR

There is so much to see at a fair: cows, sheep, horses, displays of beautiful flowers, pie and cake baking contests, quilts, concerts, crafts, farm and livestock exhibits, carnival games and rides. All of these make fairs an exciting experience for the whole family.

Puzzling Prizes

Lots of people play carnival games at the fair to win plush toys. Find what each prize has in common in the same row, across, up and down, and diagonally. (Hint: In the first row across, they all have hats.)

ANSWERS: Top row: All have hats. Middle row: All have spots. Bottom row: All have flowers. Left vertical row: All have a heart. Right vertical row: All have a heart. Diagonal from upper right corner to lower left corner: All have a bow. Diagonal from upper left corner to lower right corner: All are fish.

How many differences can you find between these two pictures?

Crunch the Numbers

The fair is filled with stuff to eat! Look over the Snack Shack menu. Add up the total price of all the items in each group and figure out which order belongs to which person.
