This donation helped fulfill the Kiwanis Club mission of "Serving the Children of the World." Like the Kiwanis Club, the Boys & Girls Club believes that the future of the nation rests with its children. Today's kids will become tomorrow's parents, workforce and leaders. With the support of organizations like the Kiwanis Club of Florence, the Florence community can help keep the lights on at the Boys & Girls Club. Western Lane Community Foundation announces new board members

The Western Lane Community Foundation recently filled two openings on its Board of Directors. Jim Grano, President, and Gayle Waiss, Executive Director, announced the elections of Sam Spayd and Bart Mealer.

Spayd moved to Florence in 1993 and has been involved in many aspects of the community since that time. He had a distinguished career in the U.S. Air Force and as a captain for United Airlines.

He has been a community volunteer for the past 25 years, devoting countless hours of volunteerism and philanthropic activity. He was one of the original board members and creators of the Oregon Coast Military Museum and

Deeds of Valor.

Spayd has been a member and Chairman of the City Airport Advisory Committee for over ten years and is the annual Salvation Army "Red Kettle Campaign" coordinator, an active member of the Board of SeaCoast Entertainment Association, and has been responsible for fundraising from corporate sponsors. In conjunction with the Boys & Girls Club of Western Lane County, Spayd created a highly successful two-week program, the Florence Air Academy, which introduces teens to aviation and future career opportunities.

Spayd is also a member of the Rotary Club of Florence.

Mealer moved to Florence from Yakima, Wash., in 2006 to take a job with the Bonneville Power Administration. After more than 30 years in the electrical utility industry,

he retired and began a second career as an active volunteer.

He has been involved in many Florence area charitable organizations, including serving as a board member with Florence Food Share, Siuslaw Outreach Services and Friends of Florence. Mealer has also been the coordinator for the production garden at Food Share since 2008.

He began as a volunteer driver for the Friends of Florence bus in 2009, and supervised and trained drivers for five years. He currently serves as Chief Operating Officer for the Friends.

Western Lane Community Foundation is celebrating its 43rd anniversary this year. The Board of Directors is responsible for more than \$6,500,000 in managed funds under the auspices of Oregon Community Foundation.
