Mapleton School Board seeks input on potential new logo

High school's "Sailors" will stay, but students, community and school board will consider if it's time for "Salty" to set sail.

Entries are to fit into one of four categories: a mascot, a letter, a symbol or any combination of the three.

Both drawings and descriptive submissions can be

"Salty the Sailor," which adorns the Mapleton High School gym floor, has been the symbol for The Sailors for generations. But in an effort to explore the idea of a more gender-neutral mascot, the school board is asking for community and student input.

accepted electronically through the school's website or in paper form at the high school office, or by being handed directly to a school board member.

To democratize the process, board members opted to include students in the decision-making. Once submissions are collected, the student body will vote for their favorites and the top two from each category (a total of eight) will be passed on to the school board for final selection.

The new logo will be displayed on the new high school gym floor and the school district website.

TIME OUT

By Lloyd Little
Retired teacher, coach
and game official

With more than 55 years as an athlete, coach, parent and spectator, Lloyd Little has gained some insights and perspectives regarding athletics. In this weekly column, he shares what he's learned about sports from his multiple points of view.

Back in the Day

There have been many changes in the sports world since "Heck was a pup." Some were needed for the safety of the players. Technology has entered the sports world and is here to stay.

The mentality of "getting it right" has put officials in all sports on notice. The calls they make will be reviewed from angles they are not privy to see. Moments can be slowed down and zoomed in on until we can see if a toenail has passed the goal line.

Needless to say, these "not so instant" replays were not available in my day.

How many games in the past would have ended differently? I have heard there is the possibility of a

A WEEKLY
FISHING REPORT FOR THE
LOCAL REGION
www.dfw.state.or.us/RR

MID COAST LAKES:
Stocking of mid coast lakes stopped in early June, but fishing for warmwater species can still be good in several area lakes, including Ollala Reservoir, Mercer Lake, Siltcoos Lake and Tahkenitch Lake.

SIUSLAW RIVER:
Cutthroat trout, fall Chinook

Fall Chinook fishing on the Siuslaw river/bay opened Aug. 1, a few fish are being caught low in the system but overall fishing has been slow. Expect numbers of fall Chinook entering the bays and estuaries to increase later in the month and into September. Best techniques include trolling herring/spinners and

Siuslaw senior Alyssa Richards' (right) attempted kill shot is blocked during the third set of Thursday's match.

SIUSLAW SCRATCHED BY TIGERS

By NED HICKSON
Siuslaw News

As the Lady Vikings finished off the first half of league play last week in the new Sky-Em division, they remain in search of their first league win after losses to Elmira and Junction City.

Tuesday, Siuslaw was on the road to face the No. 30-ranked Lady Falcons

(1-4), where the Lady Vikings opened the match with a definitive 25-12 win that seemed to indicate what could be a sweep at Elmira.

But the Falcons rallied in the second set, taking the game to extra points to even up the match with a slim 26-24 win. Game three was also close, with the lead changing several times before Elmira got the advantage with a 25-21

win.

From there, Siuslaw's early win faded quickly as the Falcons claimed the match with a 25-18 win in the fourth set.

Seniors Makenzie York and Alyssa Richards led scoring, York with 15 kills and 5 aces to go with 10 digs. Richards
