Hemp Has Significant Health Benefits For Pets

(NAPSA)—NaturVet’s veter-
inarian-formulated pet supple-
ments have progressed over the
last 25 years to keep up with the
ever-changing needs of pet parents.
NaturVet’s newest Hemp for Health
product line includes four top prod-
ucts—Allergy, Calming, Immune
and Joint—that are now available
enhanced with Hemp Seed Oil and
Hemp Seed Powder, sharing the
same great original base formulas
that pet parents have relied on for
years.

Although marijuana and hemp
come from the same cannabis fam-
ily, the plants are completely dif-
ferent in function, cultivation and
application. Hemp is grown specifi-
cally for agricultural purposes and
has been used for hundreds of years
in textiles, body care products, pa-
per products, industrial products
and building materials. Most impor-
tantly, hemp is nonpsychoactive and
cannot get your pet high.

Hemp has significant health ben-

efits for pets. Hemp is high in fiber; a
great source of plant-based protein;
is rich in omega-3 and omega-6 fatty
acids; and contains phytonutrients,
antioxidants, vitamins, minerals and
20 amino acids. Hemp Seed Oil and
Hemp Seed Powder work synergisti-
cally with other active ingredients
to help provide support for aller-
gies, stress and anxiety, joints, aches
and discomfort, the immune system,
and overall health and wellness. For
more information on NaturVet prod-
ucts, please visit www.NaturVet.com

How To Plan A Big-Group Mountain Vacation

(NAPSI)—From desti-
nation weddings to fam-
ily reunions and corporate
outings, planning a group
affair can be quite a large
feat. Whether you’re gather-
ing 50 or hundreds of your
closest family and friends,
you’ll need plenty of space
and things to do. Big hotels
or resorts are often quick-
to-mind, but bringing ev-
eryone together in one spot
to bond can be hard when
you’re trying to reserve con-
ference rooms or common
areas.

To add a touch of home-
like hospitality to group
gatherings, many people
are turning to luxury big
cabins instead. From cabins
with eight-plus bedrooms
to renting out multiple
cabins on one street for a
private block party, it’s a
unique option growing in
popularity. One new com-
munity in Gatlinburg, Ten-
nessee, is taking the trend
to heart.

Gather in the Mountains

Mountain vacations are
often reserved in people’s
minds for ski groups or
avid hikers. But plenty of
mountain destinations cat-
ter to everyone. Tennessee’s
Smoky Mountains is a great
option for groups because
excursions such as white-
water rafting and hiking are
easily shareable. The area is
also home to a theme park,
aquarium, minor league
baseball games and more,
offering plenty of choices
for outings. Gatlinburg it-
self, with restaurants, dis-
tilleries, a local craft scene
and shopping, gives ev-
eryone the chance to head
to one place, while spread-
ing out and exploring the area
based on their own inter-
ests. It’s also the gateway to
the Great Smoky Mountains
National Park, the country’s
most visited national park
with more than 11 million
visitors annually.

Staying active and shar-
ing new experiences can
help groups bond and
break the ice if it’s a cor-
porate or church retreat
where people might still
be getting to know one
another. Heading to the
mountains can offer a nice
break from the traditional
beach retreat, and rest and
relaxation are still an option.
From a soak in the hot tub
back at your rental cabin
to visiting an area day spa,
calm and peaceful moun-

A magnificent mountain re-
treat may be just the spot for
your next large-group get-
together.

tains are a great backdrop
for a relaxing getaway.

Stay Under One Roof

New communities such
as Cherokee Orchard are
meeting a growing de-
mand for luxury big cabin
options in mountain desti-
nations such as the Smok-
ies. The neighborhood
recently opened with four
cabin rentals ranging in size
from eight to 16 bedrooms,
along with a pool house.
Four more cabins are under
construction, varying in size
from eight to 20 bedrooms.
Once completed, the neigh-
borhood will feature eight
log cabins sprawling across
more than 1.2 private acres,
all within walking distance
of downtown Gatlinburg.

In the community’s Ma-
jestic Pine Retreat, for exam-
ple, 13 bedrooms include 10
king suites and three rooms
with queen-sized bunks,
making the cabin fit for 60
guests. A massive kitchen
comes fully equipped, while
log dining tables can seat
everyone for a feast after an
action-packed day. A home
theater features a large
screen, surround sound,
stadium seating and plush
leather chairs, while two hot
tubs join outdoor seating
and a grill for entertaining
outside.

Depending on the size
of your group, The Mighty
Crabapple Manor offers
eight bedrooms, while The
Big Oak Lodge provides
16. Each cabin has an im-
pressive great room where
the group can relive the
day’s memories or break
into teams for some board
games. Or, everyone can
head to the neighborhood’s
community pool house for
a swim.

Whether a single cabin
will fit your group or a large
event has you renting out
the neighborhood, this
luxury big cabin trend is a
great, unique way to get ev-
eryone together.
