Twin Lakes annual Teen Giving Tree has begun, applications available

Christmas is around the corner and there is no stopping it. No matter how busy people are at home and work, the holidays are near. While it may seem early to be thinking of the holidays, October is kickoff time for the Twin Lakes Store's sixth annual Teen Giving Tree.

"What a great way to put the holidays in your heart, by helping the youth right here in our own community," said Vicki Ambrosio, owner of Twin Lakes Store. "I started designing the flyers for this year's event and immediately felt the spark of excitement."

"This is our sixth year, and I've seen how it affects not just the teenagers, but also the parents and the grandparents that are raising many of our area youth."

An event like the Teen Giving Tree takes several months of planning. It also includes shopping and organizing, not just the gifts but stocking stuffers and a small snack box as well.

Twin Lakes Store does go all out on this event. Rather than handing the gifts to the teenager, the store hosts a Christmas party at Siuslaw Valley Fire and Rescue's Sutton Lake

Fire Station in a "Distribution Party." Last year, the hall was maxed to capacity as community members and volunteers enjoyed this fast paced, crazy holiday occasion.

"We will make a few changes again this year," Ambrosio said. "We want to keep the party at the Sutton Lake Fire Station and we want to accommodate all the participants, so changes in format will have to come."

Stop by Twin Lakes Store, on Highway 101 north of Florence, anytime to pick up an Application/Wish List. Teens are encouraged to seriously consider their list of needs and wants, including any educational supplies, and be specific in their choices including colors, sizes etc.

This year's Distribution Party is scheduled for Dec. 20.

"It takes a community to pull off an event like this. We have very kind and generous neighbors that make a point to participate each year," Ambrosio said.

For more information, to help with fundraising or to inquire for a teen, call Twin Lakes Store at 541-997-3021 or email twinlakesstore@gmail.com.

Local firefighters visit Florence Head Start

Last week was Fire Prevention Week and Siuslaw Valley Fire and Rescue visited both the morning and afternoon classes of Florence's Head Start of Lane County.

During the visit, a firefighter read a book to the children, demonstrated how they put on their protective gear so that children would not be afraid of them in an emergency situation, and then took the children outside to show them their fire truck.

Siuslaw Valley firefighters pose with young students of the morning Head Start class. Firefighters also were on hand for the afternoon class later that day.
